The football game at Sackville last Friday between the Mt. Allison and Acadia teams resulted in a victory for the latter by the score of 10 to 0. The game was evenly and closely contested, but the Acadia half line proved themselves superior to the Mt. Allison half line in passing and kicking. The Acadia scrim kicked the ball better also, and this gave their halves an advantage. Acadia is now the champion of the Inter-Collegiate League, and holds the King Richard-son trophy in good having won it five times. In addition to this trophy the team will receive a handsome loving cup from its Windsor friends.

Death's Harvest.

On November 11th there passed away one who for many years has been an esteemed and valued resident of this community. Miss Louisa M. Bishop. Her death will be felt keenly by many and those who were associated with her in daily life realize that they have lost a friend. She was a strong character and fulfilled the numerous duties devolving upon her efficiently and well, ever considerate and kind. Those who knew her intimately understood and loved her. 'Faithful in that which is least' we may feel assured that she has the promise fulfilled, 'then faithful in much' and we believe she has entered into the joy of her Lord. Two days later, on a beautiful afternoon, she was laid away in the old grave yard which holds the remains of many of her friends. The funeral services were conducted at her own residence by Rev. Dr. DeWolfe, whose comforting and appropriate words were listened to appreciatively by the large number who came to pay their last tribute. The pall bearers, students, some of whom were part of her household, and two who had formerly been of her family.
This death made the first break in a family of brothers and sisters, leaving as survivors Johnson H., Lalla B., Rev. George L. and Mrs. James L. Read in Wolfville; Gustavus E. in Greenwood; Esther B., in Stratburg; Sask; Rev. Chas. W. W. in Truro; Pa.; Rev. Raleigh H. in Berwick; Mrs. James Borden, in Halcher St., Cornwallis.

The King Richardson Trophy

reacally acquired for keeps' by Acadia, has been won as follows:
U. N. B.—'03.
Mt. Allison—'04, '05, '10.
Acadia—'08, '09, '11, '12, '13.
Not awarded, '07.
Three corners tie, '06.
The trophy was offered by an American book concern known as the King-Richardson, for competition by the three colleges forming the league, Acadia, Mount A and U. N. B.—with the stipulation that it would become the permanent property of the institution winning in two years.
The trophy is a small two-handled cup with little ornamentation and now has a permanent address at Wolfville, after having been up for competition for an even ten years. Acadia has won the championship five times, Mount Allison on three occasions and U. N. B. only once—the first year.

The United Baptist District Meeting of Kings County.

The United Baptist District meeting of Kings county was held in Aylesford Nov. 10 and 11. The first meeting was a Young People's Rally on Monday evening. There was first a report of the Young People's work, its aims, its possibilities and its endeavors, by Rev. N. A. Whitman, of Lower Aylesford. He was followed by Rev. A. H. Saunders, of Waterville, who gave a very practical and timely address on the relation of young people's societies to the church. Discussion followed which was participated in by nearly all the ministers present. The exercises were deeply interesting and the discussion was helpful because practical.

On Tuesday morning the first half hour was spent in a devotional service under the leadership of Dr. A. Chisham. Then followed the business of the district. There were reports from the churches given by their delegates, and where there were no delegates, by others who were familiar with conditions. The reports, on the whole, were encouraging, though many lamented the lack of spiritual power. The additions were pitifully few. There seems to be an increasing interest in Sunday-school work and work among the young people. But strength and power are not in evidence. A nominating committee was appointed to report at the afternoon session. Dr. Manning read a paper on 'the pastor's relation to denominational work' which was well received that he was asked to furnish the first of it for publication in the Maritime Baptist.
The first thing in the afternoon, after the devotional exercises led by Pastor Fosbury, was a discussion of the points made in the paper of the morning. Rev. A. L. Powell, of Gaspereau, read a very interesting and helpful paper on 'Church Discipline', showing a long neglected duty on the part of a great many of the churches.

The Missionary Aid Societies of the county were finely represented by Madames Martell and Porter. The former spoke with her usual force and clearness on the work of the women of these provinces, and of the number of the societies in the county, the amount of their contributions and their general condition and urged strongly upon the women present to do all in their power to secure the help of all their sisters in the churches by becoming closely identified with the work they have in hand.

How A Clever Girl Helped Her Mother

DELORAINE, MAN.
I must tell you about my mother, she thinks there is no other medicine, as good as GIN PILLS, for backache. She tried a lot of other medicine for her back, sometimes she would get a little better, and then be as bad as ever. Then a friend advised me to get GIN PILLS. Mother tried them and has not been troubled with backache since.
