which forcibly points out the necessity for new bankruptcy legislation in England. He showed that all insolvency entered at the union to maintain steam legislation in Canada up to the present time had been framed with an idea of witnesses to have been wonderfully relieving the unfortunate debtor, while well built, and it had been proved relieving the unfortunate debtor, while the new Bill was more with an idea of benefiting the creditor. He held that the new Bill was in accord with the wishes of the business men throughout the country, as expressed by their petitives and that it met the views of the expense of printing which had in the department reports, especially that of Marine and Fisheries, the expense of printing which had in the department of the triangle of the department reports, especially that of Marine and Fisheries, the expense of printing which had in the department of the triangle of the department reports, especially that of Marine and Fisheries, the expense of printing which had in the department of the triangle of the department of the d

who wish for repeal pure and simple and others who wish for a new legislation. In his opinion the estate of the insolvent should belong to the creditors, to be divided among them and that was the main principle of the new bill. He then specified the various details of the bill. He pointed out that under the new Act assignees or as the Acts vice it in 1878.

In 1878.

Mr. Flynn said a subsidy should be provided for steamer M. A. Starr between Halifax and Charl tetown.

Mr. Anglin said the Campbellton and Gaspe boat should call at Caraquet and other southern ports where there out that under the new Act assignees or as the Acts vice it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greater portion of our usual said the Campbellton and Gaspe boat should call at Caraquet and other southern ports where there out that under the new Act assignees or as the Acts vice it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greater portion of our usual said the Campbellton and Gaspe boat should call at Caraquet and other southern ports where there out that under the new Act assignees or as the Acts vice it is a great public benefit.

WE have now open and ready for inspect the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greater confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greater portion of our usual and it is pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the best medicines they have ever used; it has done wonders in healing and relievin out that under the new Act assignees or as the Actstyled them "Guardians,"

Hon. Mr. Pope said these services or as the Actstyled them "Gnardians," Hon. Mr. Pope said the could not solicit or induce any creditor were under consideration. to take proceedings. This prevented a good deal of abuse which took place fisheries items, a reference to which improvement was the great reduction TOR. in the expense of winding up and settling insolvent estates; for instance an estate of \$10,000 could be wound up for \$170, and to prevent overcharging penalties had been imposed. Then the question of discharge was altered.

Under the near Act it was removed.

 March 26-2m

the question of discharge was altered.
Under the new Act it was removed from the power of the courts and was in the hands of the creditors, four-fifths of whom in number and value, not including relatives, must vote in favor of it being granted before the insolvent can receive one. He thought a reneal once and simple was going too favor of it being granted before the insolvent can receive one. Hethought a repeal pure and simple was going too far, and he much preferred the bill be had great pleasure in seconding.

Mr. Dechard moved in amendment that the bill be not now read a second time, but that the Insolvent Act of 1875 be unconditionally repealed.

There was some discussion upon the amendment, after which the House divided as follows:—For Repeal 99; was charged from Montreal to Sussex divided as follows:—For Repeal 99; was charged from Montreal to Sussex and the services of insolvent act of insolvent can receive one. Hethought seesed by arbitrators.

Mr. Domville argued in favor of more stringent regulations about fencing, as cattle were frequently killed on account of fences being down, and there was no reform in the amendment, after which the House elections. Twelve dollars a car more divided as follows:—For Repeal 99; was charged from Montreal to Sussex in the sense of the whole system invigorated and strength the whole system invigorated and perties of Quinine are a febrifuge tonic and antiperiodic. Small doses, frequently re-THE ESTIMATES.
