SAYS THIS IS BEST
A leading health journal in answering the question, "What is the best prescription to clean and purify the blood?" prints in a recent issue the following:
Fluid Extract Dandelion one ounce;
Compound Sulfate, one ounce;
Compound Syrup Sarsaparilla, four ounces.
Shake well and use in teaspoonful doses after each meal and at bedtime.
A well-known physician states that these are harmless vegetable ingredients, which can be obtained from any good prescription pharmacy.
This mixture will clean the blood of all impurities. In just a few days the skin begins to clear of sores, boils and pimples. It puts vigor and energy into run-down debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while it built up and made new blood, the impurities remained within and the good accomplished was only temporary. Sarsaparilla, however, when used in combination with Compound Sulfate and Extract Dandelion, works wonders. This combination puts the kidneys to work to filter and sift out the waste matter, uric acid, and other impurities that cause disease. It makes new blood and relieves rheumatism and hamp back and bladder troubles.

Cured Senator Costigan

"FRUIT-A-LIVES"—is the finest medicine ever produced"

"Fruit-a-lives"
or "Fruit Liver Tablets"

The thousands who know the Honorable Senator from New Brunswick, know that nothing short of a complete and wonderful cure could induce him to write such a testimonial as the above letter.

"Fruit-a-lives" was the only remedy that gave Hon. John Costigan any permanent relief.

OTTAWA, Ont., Jan. 8th, 1906.
I have been a dreadful sufferer from chronic constipation for over thirty years and I have been treated by many physicians and I have taken many kinds of proprietary medicines without any benefit whatever. I took a pill prescribed by Dr. A. E. Rogers, of Ottawa. Nothing seemed to do me good. Finally I was advised by Dr. Rogers to try "Fruit-a-lives" and after taking them for a few months I feel I am completely well from this horrible complaint. I have now no trouble with this complaint now for a long time, and I can certainly state that "Fruit-a-lives" is the only medicine I ever took that did me any positive good for constipation. I can conscientiously recommend "Fruit-a-lives" to the public as, in my opinion, it is the finest medicine ever produced.
(Signed)
JOHN COSTIGAN.

"Fruit-a-lives" accomplished in three months, what the leading physicians failed to do in thirty years.

50c. a box—6 for \$2.50. At dealers or sent on receipt of price.

CANADIAN MINT OPENED AT OTTAWA

Hereafter Canadian Money Will be Made in This Country.

OTTAWA, Thursday.—"As the representative of His Majesty the King, I declare this Canadian branch of the Royal mint open," was the speech of Earl Grey at the opening function this afternoon. Some 200 persons were at the ceremony and were received in the main hall by the deputy master, Dr. Bonar. After the opening speech of the Governor-General, Hon. W. S. Fielding directed matters. Countess Grey started the mechanism of the mill set for copper one-cent pieces and received the one she had made. Other copper pieces were then made and presented to the visitors. A cablegram was forwarded to the deputy master of the Royal mint in London telling him of the event. A luncheon was a feature of the proceedings.

Among those present were: Viscount and Viscountess Middleton, Lord Larles, Col. Hanbury Williams, Hon. R. W. Scott, Sir Chas. Fitzpatrick, Hon. H. R. Emerson, Hon. Frank Oliver, Hon. Mr. Templeton, Hon. W. Patterson, Hon. G. P. Graham, Mr. R. L. Borden, Mr. Geo. E. Foster and Belmont.

COUPLE JAILED FOR MURDER.

Alleged That Former Wife Was Killed to Enable Defendants to Marry.

QUEBEC, Thursday.—Omer Rochette and Filon Marceau, his bride of a week, both of whom are accused of the murder of Marie Plamondon, Rochette's former wife, arrived in Quebec this morning in charge of Chief McCaskill who accompanied them from Chicago where they were arrested three days ago.

Chief McCaskill when asked about the reported confession of the prisoners said the story was entirely without foundation and that it was published in one of Hearst's Chicago papers before he had even spoken to or seen Rochette. It was issued in a special edition of the paper and of course was then sent over the wires as a special despatch to the whole country.

Both Rochette and his wife have pleaded not guilty to the accusation of murder and the preliminary investigation has been set for Monday next. It will be conducted behind closed doors. Judge Chaveau will preside and Messrs. Lesperance and Davidson will act as crown prosecutors while Mr. M. A. Lemieux, son of Hon. Judge Lemieux, will represent the prisoners.

Late developments have led the crown to directly accuse Mrs. Rochette of the murder and all hope of saving her from accompanying her husband to jail awaiting the investigation has been removed. The attorney for the defense claims that when the case comes to trial he will be able to show that neither Rochette nor his wife poisoned the food which was responsible for the death of Marie Plamondon.

TO PROLONG HUMAN LIFE.

Dr. Siebel Thinks He Can Keep People Alive by Electricity.

CHICAGO, Thursday.—Dr. J. C. Siebel, a physician of this city announced today before the American Association for the advancement of science that he had discovered a method of generating energy within the human body. He asserted that electricity stored in the human body can be released and made to do work. This work, he said, is the prolongation of life through additional vitality supplied to the human body working as its own electrical generator. Dr. Siebel declares he has succeeded in constructing batteries on a working scale in which the element necessary to form the connection between the batteries and the system has been created.

VALUABLE MEDICAL PRESCRIPTION

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than his Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successful physician, will be appreciated by any who are suffering from the grippe, cold, cough, pneumonia, or any throat, chest or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well—What you feel that you are taking old or have chilly feeling or aching in any part of the body or head, or feel weak, tired, dizzy, unfit for work, a pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-kon), and prepare as follows:
Psychine, 2 teaspoonfuls.
Ginger, whisky or water, 2 tea-

spoonfuls.
"One of the latter can be made according to the judgment and preference of the patient."
"Mix thoroughly and take regularly before each meal and at bedtime."

"This prescription has been used in thousands of cases and has been so universally successful that a number of leading physicians regularly prescribe Psychine in their practice for one of the above troubles, or any run-down, wasting or constitutional difficulty. It is the most reliable and valuable home remedy. It tones up the entire system, giving a feeling of cheerfulness and vigor, adding many years to the life of those who use it."

"Years ago I was almost a physical wreck and was suffering with lung trouble. Friends and doctors thought I would never get better. I began to despair myself. Lying in bed, I read of Psychine and who recommended it to me I do not know. It was surprising to find a whole bottle of it had. I started to use it with great hope. A bottle of two weeks I was able to get up and about. I had a cough, but I was cured. I am now a strong man. I am now a strong man. I am now a strong man."

"I had been suffering from La Grippe. My nerves were weak and I had a cough, but I was cured. I am now a strong man. I am now a strong man. I am now a strong man."
