## TORONTO MARKETS

### LIVE STOCK.

Receipts of live stock at the Union Yards were 36 car loads, consisting of 729 cattle, 17 sheep and 3 calves. The quality of fat cattle was not quite as good as has been coming for some time past, but there were several lots of good to choice quality. Out of the above number there were about 8 car loads of exporters, which were not sold, buyers waiting for Tuesday's market.

The balance, 28 car loads, were butchers' cattle, which had a limited supply for the demand. Drovers, seeing the light supply, held out for high prices, which tended to make a slow market, as dealers did not feel like advancing over last week's high quotations. Prices, however, were no lower and in some instances higher prices were paid when quality is considered.

Exporters—No shipping cattle were sold, but last week's prices would probably have been paid.  
Butchers—Choice butchers sold at \$5.00 to \$6 per cwt.; loads of good, \$4.75 to \$5.00; medium, \$4.50 to \$4.75; common, \$4.25 to \$4.50. Cows of good quality sold at \$4.00 to \$5.10; medium cows, \$4.40 to \$4.00; grass cows, \$3 to \$4.25.
