THE LOCOMOTIVE.—Eihn Burritt, the learned blacksmith, says: ''l love to see one of these greatures, with sinewe of brass and muscles of iron, strat forth from his smoky stable, and, salut-ing the long train of cars with a dozen soporous puffs from his iron nostrila, fall back gently into his harness. There he stands, stamping and foaming upon his iron track, his great hearf a fur-nace of glowing calls, his lymphatic blood is boil-ing in his veins, the strength of a thousand horses is nerving his sinews—he pants to be gone. He could ' snake' St. Peter's across the desert of Shara if he could be fairly hitched to it ; but there is a little, sober-eyed tobacco-chewing man in the saddle, who holds him in with one finger, and can take away his breath in a moment should he grow restive or vicious. I am always deeply interested in this man, for, begrimed as he may be with coal, diuted in oil and steam, I regard him as the genius of the whole machinery, as the physical mind of that huge steam horse."

BISHOP MARLEY had a good deal of the the humour of Swift. Once when the footman was out of the way, he ordered the coachman to fetch some water from the well. To this the coachman objected that his business was to *drive*, not to run on errands. "Well then," said Mar-H ley, "bring out the coach and four, set the pitcher inside, and *drive* it to the well,"—a service which was several Supp

HOLLOWAY'S OINTMENT.

EXTRAORDINARY CURE OF ASTHMA ! ! OF AN OLD LADY SEVENTY FIVE YEARS

OF AGE. Copy of a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854. To Professor Holloway,

To Professor Holloway, Sir,--Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for apwards of four and twenty years with asthma and spitting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I possessed to have her cured; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I t'ought perhaps your Pills might benefit her; at all events I resolved to give them a trial, which I did; the result was marvellous: by slow degrees, my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old. I remain, Sir, Your obliged, (Signed) THOMAS WESTON. REMARKABLE CURE OF DKOPSY.

REMARKABLE CURE OF DROPSY. AFTER BEING TAPPED THREE TIMES.

Copy of a Letter form Anthony Smith, Esq. Halifax, Nova Scotia, dated the 25th August, 1854 To Professor Holloway,

To Professor Holloway, Sir, --L desire to add my testimony to the value of your Pills, in cases of dropy. For nine months I suffered the greatest torture with this distressing com-plaint; was tapped three times, and finally given ap by the doctors; having become in appearance as a child just born. It was then, that I thought of trying your Pills, and immediately sent for a quantity and commenced using them. The result I can searcely credit even now, although true it is. After using them for four weeks, I felt much better, and by presevering with them, at the expiration of two months, I was completely cured. I have since en-joyed the best of health. I am, Sir, Yours mincerely (Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT !!

Copy of a Letter from William Reeves, of Charlottetown, Prince Edward Island, dated 17th Nov. 1854.

To Professor Holloway,

To Professor Holloway, Sir,—I am happy to say, that your Pills have re-stored me to health after suffering for nine years from the most intense general debility and langour, my liver and howels were also much deranged for the whole of that time. I tried many medicines, but they were of to good to me, until I had recourse to your Pills. by taking which, and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neigh-bours, acquaintances, and friends. I shall ever feel grateful to you for this astonishing reatoration to bealth, and will recommend your Pills to all sufferers, feeling it my daty to do so. I remain. Sir, your humble servant, (Signed) WILLIAM REEVES.
