With this intent se have should be one founded by authority of the Apostolic See and endowed by us with all suitable powers, in which Catholic professors might in struct those devoted to the pursuits of learning. The design was to begin with philosophy and theology adding, as means would allow, the remaining branches, those particularly which the present age has introduced or perfected. An education cannot be deemed complete which takes no notice of modern sciences.

FOR THE HIGHER STUDIES, vanced courses. In announcing we laud your firmness tempered

its almost daily increase in prosper-

opinion of the people and clergy.

We wish now, venerable brethren

to the generosity of your people the college which our predecessor, Pius IX., founded in this city for the ecolesiastical training of young men from North America and which we took care to place upon a firm basis by a letter dated the 25th day of religion. With this intent we have as you are well aware, turned our attention to two special objects; first, the advancement of learning; second, a perfecting of methods in the management of church affairs. There, already, indeed, existed several distinguished universities. We, however, thought it advisable that there should be one founded by authority of the Apostolic See and endowed by us with all suitable powers, in

of the Bishops and clergy, but is no slight measure also to the faith and the generosity of the Catholic laity. The wish that it should be regarded could by no means have so rapidly Thus, while the different classes ex-erted their best energies, were you enabled to erect unnumbered reli-enabled to erect unnumbered relivito carry into effect the statutes a had so wisely framed at Batli-

> When the council of Baltimore had concluded its labors the duty fitting manner than through the establishment by the Apostlic See of AM AMERICAN LEGATION.

Accordingly, as you are aware. we have done this. By this action ae we have elsewhere intimated, we have wished, first of all, to certify that, in our judgment and affection, America occupies the same place and rights as other States, be they ever so mighty and imperial. In addition to this we had in mind to draw more closely the bonds of duty and friendship which connect Catholics with the Apostolic See. In derstood how salutary our action was destined to be. They saw.

the legate are an obstacle to the authority of the Bishops. Sacred to fully sent one who should represent one who should represent our people the stitutional republic, the ecclesiastic to liberty, she enjoyed the favor of to commend to your affection and us, more than to any other, are

founded by the will and ordinance of Jesus Christ for the preservation of morality and defence of religion? For this reason have we repeatedly and eavyored, from the summit of the summ finement of learning and zealously train their minds to the discovery of the truth and the investigation, so far as it is possible, of the entire domain of nature. This in every age, has been the desire of the Church; upon the enlargement of the boundaries of the sciences has it is possible and after mature deliberation, ratified by apostolic authority the deorder of things, the fountain of blessings so numerous and so great that they could not have been greater or more numerous had the original purpose of her institutions been contained by a letter, therefore, dated the contained and after mature deliberation, rational and after mature deliberation, rational purpose, is yet, even in the counsels and conduct of another; field by apostolic authority the definally, that with disagreements errors of the prelates assembled at Baltimore.
