## TEA Prices

AGAIN ADVANCING!

Shipments just to hand of

**Our Celebrated**  
**MOUNT VIEW TEA**

Cost us 5c. per lb. over previous shipments. We have a limited quantity left from previous shipments which we shall retail till cleaned up at

**55c. per lb.**

and the price will then be 60c. lb.

This Tea is well worth 60c. lb. but the early buyer can save 5c. per lb. We trust that our customers will appreciate the fact that we have advised them ahead when tea prices were advancing and have protected them as far as possible. The tremendous freight rates are responsible for the rises in the price of teas. Today the freight and insurance on a pound of tea from Ceylon is 16 cents per pound. This compares with about 3c. in normal times.

We have cheaper teas in stock than our "Mount View," but the higher grade teas are the most economical and "Mount View" Tea is becoming a great favourite and we would like you to try it.
