ADVERTISE IN THE EVENING TELEGRAM.

Reception at Petty Hr. and Maddox Cove.

OVERWHELMING MAJORITY FOR BENNETT CANDIDATES.

Yesterday afternoon Messrs. Cashin, Linegar and Hunt visited Maddox Cove and held a meeting in the school house, which was attended by practically all the members of the settlement. Mr. Joe Walsh presided and the candidates addressed the meeting at some length dealing with the many important matters now before the country. They were given a splendid hearing and as in 1919 Maddox Cove will go 95 per cent. for the Bennett party. Sir Michael and colleagues also visited Petty Harbor during the day and at night held a public meeting. Flags were flying in their honor and at night the hills were lit up with bonfires, while the booming of musketry showed the welcome that was accorded the candidates. Mr. Thos. Whitten presided and introduced the candidates, who for three hours held what will go down in the history of Petty Harbor, as the most successful and enthusiastic meeting ever held in Petty Harbor. At the conclusion of the meeting all the audience waited to give Sir Michael and colleagues a fitting send-off, after such a wonderful campaign, and they were cheered to the echo.

Petty Harbor will, with the rest of the district, give the Bennett candidates an overwhelming majority on Polling Day.

The Tablets Cured Her! Does Your Case Resemble Hers?

For twenty years I suffered from heart trouble and nervous prostration. I had constant pain in my left side, shoulder, left arm, and could not get my hand up to my head. Often times I was confined to my bed, and not able to do the least work. I had palpitation, faint spells, cold hands and feet, shortness of breath, (often at night had to be propped up in bed to get any breath) and could not sleep on my left side. I could hardly do anything without its causing great pain and gas in my stomach. There was a great feeling of oppression about my heart which made it impossible to do even the lightest work, and I did not know what it was to get a good night's sleep. I can hardly describe my serious condition when beginning to take your Tablets. I had consulted several of our best physicians and taken many kinds of patent medicines without success. I sent for your Tablets and took four boxes. I can truthfully say I have no symptoms of my former troubles, can eat anything I want, sleep well, do any kind of work and have gained fifteen pounds in weight in three months. It is needless to say that your remedy is the best in the world.
