Not Love as You See it in the Movies Rather a section of life. Nothing glossed over in this picture. It is "real" in a sense that has never before been made clear. Erich Von Stroheim decided that his picturization of Frank Norris's classic "McTeague" had to dent the crust of sentimentality which colors so many motion pictures.

Direct to You—from its Broadway World Premiere! ERICH VON STROHEIM'S Production of FRANK NORRIS' great novel "MC TEAGUE" ON the burning sands of Death Valley—in the danger-infested mining camps of Colorado—in romantic San Francisco—this absorbing picture will grip you with its mighty human story.

In "The Loves of Mary, Queen of Scots," you will find:

- (1) A Revelation of Love Behind the Purple. (2) The Drama of one of the most remarkable and picturesque characters in history. (3) A Tale of a Queen who was only Human! A special orchestra has been engaged and in addition to the great story, patrons are assured of a musical programme in keeping with the best in the city. An announcement of much importance to the public is that of the coming of Adams & Cheney, who are coming direct from Keith's Theatre in Boston, where they played up to last week. Adams and Cheney possess high recommendations as musical artists. Looking at last month's Boston newspapers, we find these high-liners, and if one is to judge by the write-ups, they possess marvellous talents as violinists and pianists.

ECZEMA IN RASH AND BLISTERS. Had to Keep Hands Bandaged. Cuticura Healed. "Eczema broke out in a rash and blisters between my fingers and on the backs of my hands. The skin was red and swollen and used to peel off. It itched and burned badly and was awfully sore especially when I put my hands in water. I had to keep my hands bandaged. I sent for a free sample of Cuticura Soap and Ointment and it helped. I purchased more and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was completely healed."
