

### ARRANGEMENTS FINALIZED FOR SUCCESSFUL REGATTA.

The final meeting of the Regatta Committee took place in the T.A. Association last night, with President Hisscock in the chair. All arrangements for the Regatta are now finalized and the success of the Regatta is assured. As to the object of the Regatta, it is to raise funds for the benefit of the St. John's Hospital. The Regatta is to be held on the 10th and 11th inst. and will consist of a variety of races and events. **WINNING TIMES (1924).**  
The following are the winning times made in the various races last year:—  
Amateur—10.06%.  
Tradesmen—10.14.  
Juvenile—10.48%.  
Junior Football—10.27%.  
Mercantile—10.09%.  
Intermediate—9.57.  
Truckmen—9.51%.  
Bankers—10.03%.  
Factory—10.18%.  
Senior Football—10.03%.  
Championship—9.51.

**REGATTA REPLES.**  
The Torbay Fishermen rowed the course last night in 9 min. 55 sec. The Outer Cove Fishermen also rowed well.  
The Amateur Race is expected to be a gruelling contest all over the course, and it is predicted that the crew with the greater endurance will be the victors.  
Practically all the crews were out for a spin last night. Conditions were ideal for rowing and good time was made.  
All the tent space has been allotted on the North Bank.

**LAST NIGHT'S GAME A DRAW.**  
The Regiment vs. City football game, played at St. George's Field last night, drew a large gathering of spectators to the field. The exhibition as handed out was fairly good, with lots of interesting moments for the fans, and ended in a draw, 4 goals all.

**First Half.**  
The City, losing the toss, kicked off from the eastern end, and saw the game opening up fast and lively. The City pressed hard and scarcely a few minutes had elapsed when Goldstone beat Noseworthy with a pretty shot from the left wing, thus opening up the scoring. The Regiment team then made a determined attack to score the equalizer, but the desired results did not come until ten minutes later when Meadus found the net on a pass from Young. With both teams now on an equal footing, play became general, with a fairly good exhibition of football being displayed by both eleven. The City, however, were on the aggressive all the time, and before the period closed they secured two more goals, Goldstone being responsible for the second and Nolan for the third. The half time whistle blew leaving the score standing, City 3, Regiment 1.

**Second Half.**  
Upon resumption of play the Regiment confined the play to their opponent's territory, and made several attempts to reduce the City lead. Nothing happened, however, until nine minutes after play, when Pennell scored for the Regiment, on a wing shot from the right. Play then transferred to the other end and saw the City forwards combining nicely, and bewildering the backs with some snappy play. After several tries had been made without success Goldstone, who was playing a good game, raced in and scored No. 4. The Regiment team then buckled up, and Young was responsible in scoring two goals, on passes from Adams and Pennell. With both teams now on an equal footing, play became fast and furious, from then until the close, but as no further scoring resulted, despite the determined efforts of both sides. The game ended 4 goals all. Referee, H. Oulitas.

**GAME POSTPONED.**  
The Junior League Game, set down for to-night, between G.Y.M.C. and Holy Cross, has been postponed.

**Manuel's Garden Party**

The Garden Party at Manuel's which was held on Sunday last but was postponed owing to inclement weather will be held at the grounds at Power's Court to-morrow afternoon. As Rev. Fr. Kelly and his assistants have left nothing undone to provide for the comfort and entertainment of visitors, it is expected that a large number will be present.

### A REQUEST TO MOTORISTS—"SAFETY FIRST"

While a forty foot roadway (sufficient for two cars to pass) has been left on Bannerman Road, owing to the large number of children who are likely to patronize the Circus it is respectfully asked that motorists (and other vehicular traffic) avoid using Bannerman Road (between Military and Circular Roads) as much as possible during the time the Circus is in the city. This is merely a request to motorists and not an order. This request does not apply to Regatta morning and afternoon, during which time it is understood the Circus will not operate in order not to interfere with the city's special Sporting Day.

### Magnificent Wild Horse Steals Show

"KING OF WILD HORSES" ACHIEVES ORIGINALITY, THRILLS AND INTERESTING PLOT.

At last the screen has the perfect actor—the actor that does not simulate emotions—that is not a slave to the director's exhortations—the actor that follows no school of interpretation and acts with simple but telling naturalness. Never do you doubt his meaning.

And this actor is the magnificent wild stallion that runs off with the whole show in "The King of Wild Horses," which was shown for the first time yesterday at the Nickel theatre, where it will remain until Wednesday to thrill and amaze the multitudes. It is evident from the very start that here is no trick, trained horse, but there is no doubt but that directing him was tricky business.

The plot does not revolve entirely around the horse, there being a bad man who has involved the heroine's brother in a cattle stealing episode and a romance between Billy and the sister. The Black is instrumental in uncovering the villain's plot and bringing the love story to a happy ending. Blair is played by Leon Barry in true cowboy style and Edna Murphy is pretty and charming as the heroine. Other roles are ably portrayed by Charles Parratt, Pat Hartigan and Sidney De Grey. Fred Jackman's direction shows a fine understanding of animals.

Harold Lloyd in his comedy triumph "From Hand to Mouth" is all that we cracked it up to be, and more. For a real laugh you must see this picture.

### Traffic Regulations

In order to regulate traffic at the Regatta, the following regulations have been made by the Inspector General:—No motor cars or motor vehicles will be permitted to park on Quaid Viad Road (north and south) except on the lake side of said roads. No motor cars or other vehicles will be permitted to go east over North Quaid Viad Road between the hours of 9 a.m. and the close of the Regatta. No motor cars or other vehicles will be permitted on the Boulevard between the hours of 9 a.m. and 12.0 p.m. and 2 p.m. to 4 p.m. The co-operation of all drivers of vehicles would do much to make these regulations accomplish what they are made for.

Ice cream is only as good as the flavoring used. You can't make pure ice cream from poor flavoring. Use Shirriff's Vanilla. One pint bottle flavors hundreds of gallons of ice cream. Get it from GERALD S. DOYLE, Phone 211.—July 31, 1925.
