THE Genuine Thing!

As Mr. STEWART is leaving for the British and Continental Markets in July, he has determined to reduce his large stock of Dry Goods and Clothing by \$20,000 this month.

To effect this he has resolved to allow a discount of 10 per cent. on all purchases of \$1 and upwards. So rare a chance of securing cheap goods seldom occurring, the public should avail themselves of making and saving money. Quotations of prices being no real criterion of cheapness, an inspection of goods is solicited.

WILLIAM STEWART. N.B.—A lot of Dress Goods slightly damaged by water from a leak in the roof will be offered at less than half price.

Cottons will be sold at the Genuine Cost—and are exempted from the 10 per cent. reduction.
