On the face of the figures this would indicate that the British and other foreign commerce would have to bear an additional burden of 10 per cent. in PUBLIC STENOGRAPHERS tolls over and above what it would pay

were American coastwise shipping not exempted, It is pointed out, however, as a mat-ter of fact, that a proportionate share of this burden, if it did exist, would have to be borne by American ships in the foreign trade, which consequently would be on a precise equality with
