IMMIGRANT TRAIN IN WRECK; NO ONE INJURED

HEAVY-LOADED IMMIGRANT TRAIN WITH 77 PEOPLE ABOARD FROM HALIFAX AND ST. JOHN WAS ROUNDED A CURVE NEAR LENOXVILLE, THIS MORNING, THE ENGINE LET THE RAIS, AND FOUR PASSENGERS PLOUGHED UNDER AN EMBANKMENT 15 FEET HIGH. AT THE CAR WRECK, THE ENGINE PASSENGERS WERE OF FOUR AND NOT MORE THAN FIFTY. THERE WERE HUNDREDS OF WOMEN AND CHILDREN ON BOARD, BUT THEY ALL ESCAPED SAFELY THROUGH THE WINDOWS OF THE OVERTURNED COACHES.

Winnipeg, April 16.—Immigrants averaging about 1,000 a day reached Winnipeg during the week ending April 16. The British still maintain their lead among these with over 700 arrivals a day.

Totals for the week are 5,698. Of these 3,675 were British, 340 Russians, 450 Gallians, 259 Germans, 259 Italians, 560 Scandinavians.

Today about 700 immigrants will arrive from the Curlew and Mount Royal, and on Friday 600 from the Acadia and Lethbridge are due to arrive.

Today's train is a little late with considerable delay in the No. 2 de-railled east of Fort William.

OVER ELEVEN HUNDRED NEW SETTLERS ARRIVED

Skilled Artisans Among Arrivals; Four Hundred Obtain Work; Remainder Take Up Land in Vicinity of Calgary; Year Was Prosperous

Eleven hundred and nineteen immigrants were registered in Calgary during the year 1912, according to the official report of Mr. James Craig, Calgary agent, just made public by Mr. J. Bruce Walker, commissioner of immigration, Winnipeg.

Of this entire number 445 secured employment through the local immigration bureau, but many others were possessed of means, took up homesteads, and did not seek employment.

Mr. Craig's report in full is as follows: There were 1,119 immigrants accommodated at the immigration hall during the year, for which I found employment for 442. Comparatively few seek accommodation here, as I find that the majority that land now have relatives and friends awaiting their arrival, so it is hard to give an adequate idea of the number that arrived in Calgary.

The new immigration hall will be completed and ready for occupation in a few weeks, and I think that just will take advantage of the more modern comforts and convenience that will be afforded there than what they have at the present time in the old building.

The different nationalities accommodated at the hall were: English, 691; Scotch, 148; Irish, 37; Welsh, 29; Americans, 22; Dutch, 20; French, 4; Germans, 22; Austrians, 1; Norwegians, 7; Danes, 16; Poles, 1; Belgians, 4.

The year of 1912 was the greatest we have ever had in the history of Calgary, in the way of building operations. The building permits issued during the year exceeded \$20,000,000, therefore there was employment for mechanics of all classes and for laborers.

WAGERS WERE MADE IN CALGARY YESTERDAY AS HIGH AS THREE TO ONE THAT THE SIFTON GOVERNMENT WOULD BE REJECTED

Wagers were made in Calgary yesterday as high as three to one that the Sifton government would be rejected at the election in North Calgary, said Duncan Marshall, Liberal candidate for the riding of North Calgary.

The result in Calgary

"I feel that if our friends get out and vote there will be no question of the result in North Calgary," said George Ross, late night editor of the "Morning Herald."

Chiffon Jones expressed himself as extremely confident last night, "I am going to win. Anyone who doubts my opinion is due for a surprise."

Dr. John McDougall was fully as confident as his colleagues.

NOTABLE RIFLE SHOT, MEMBER OF 103RD REGIMENT LEFT HOME LAST SATURDAY UNDER PECULIAR CIRCUMSTANCES CAUSING MUCH ANXIETY

MISSING MAN SHOT AT BISLEY RANGES

Was Expert Rifleman and in Local Regiment Since First Date of Formation; He Appeared Physically and Mentally Sound When Last Seen

Max anxiety is expressed for the safety of Color-Sergeant C. M. Hodson, of the 103rd Calgary Rifles, who disappeared from his home, 28 Healy Apartments, last Saturday night, and has not since been seen or heard of.

Hodson was shooting at the ranges during the day, and went home late in the afternoon, taking his rifle with him. Later he left home, offering no explanation to his wife, since which time he has been enveloped in oblivion as completely as if he had never existed.

Hodson was in good health and apparently of normal mind. He was fond of his home and family, and never before left home for a lengthy period without fully explaining his intentions.

The missing man is a famous Canadian rifle shot, and competed at Bisley two years ago. He has participated in many provincial shoots, and won a great number of trophies. Hodson is considered by the members of the 103rd as one of the best marksmen in the regiment.

FUR SHIPMENTS FROM THE NORTH VERY VALUABLE

Prince Albert, Sask., April 16.—The shipments of fur from the North country this year are of unusual size and value. All local fur trading companies report being brought in by trappers who usually visit this city with their pelts. The most prominent skin this year is that of the white fox and scores of pairs are coming in. Other valuable specimens are finding their way here, not least important of which are two or three splendid polar bear skins of unusual size.

SECRETARY BUILDING TRADES COUNCIL SAYS WEBSTER IS NOT PROMINENT IN LABOR CIRCLES

Editor Albertan: Permit me to verify the statement of W. M. Scott, president of the Brotherhood of Carpenters union, in your issue of the 14th inst., commenting on a letter published in The Herald and The News-Telegram under the signature of Wm. Webster, "a prominent labor man."

It is my duty in the interests of organized labor to state as follows:

That William Webster is not active in the labor movement in Calgary.

Also commenting on a letter bearing the signature of George Evans, secretary of the Bricklayers and Masons, published in a recent issue of The News-Telegram, I wish to state that he is an unconscious tool of the Conservative party, and is in no way authorized by his local to make such statements, and will undoubtedly lose the respect of all intelligent trades unionists.

Furthermore, such men are stumbling blocks to organized labor and would do better if they would study the labor movement in general instead of selling themselves to party politicians.

For the Calgary Building Trades Council.

ERNEST T. SMART, Secretary-Treasurer
