The high winds of the first four days of the month blew down about half the winter apple crop in the Niagara district before the fruit was matured, thus rendering it unfit for shipment.

MILD IN THEIR ACTION.—Parnell's Vegetable Pills are very mild in their action. They do not cause cramping in the stomach or cause disturbances there as so many pills do. Therefore, the most delicate can take them without fear of unpleasant results. They can, too, be administered to children without imposing the penalties which follow the use of pills not so carefully prepared.

Cholera morbus, cramps and kindred complaints annually make their appearance at the same time as the hot weather, green fruit, cucumbers, melons, etc., and many persons are debilitated from eating these tempting fruits, but they need not abstain if they have Dr. J. B. Kellogg's Dysentery Cardiac, and take a few drops in water. It cures the cramps and cholera in a remarkable manner, and is sure to check every disturbance of the bowels.

Superfluous Hair

Removed by the New Principle

De Miracle

It is better than electricity, because it does not scar or produce a new growth. Better than X-ray, because it does not burn, scar or paralyze the tissues under the skin. Better than depilatories, because it is not poisonous; therefore, it will not cause blood poisoning, or produce eczema, which is so common with depilatories, and does not break off the hair, thereby increasing its growth.

Electrolysis, X-ray or depilatories are offered you on the bare word of the operators and manufacturers. DE MIRACLE is not. It is the only method which is endorsed by physicians, surgeons, dermatologists, medical journals and prominent magazines.

DE MIRACLE will be mailed to any address, sealed in plain wrapper for \$1. Your money back without question if it fails to do all that is claimed for it.

Our booklet—the most complete treatise on Superfluous Hair ever published—containing the testimonials of numerous physicians and surgeons and those of hundreds of others—will be sent free, in plain, sealed envelope, upon request. Write for it to-day to DE MIRACLE CHEMICAL CO., 23 QUEEN STREET WEST, TORONTO, ONT.

Pale, Weak and Languid Girls

It is to Your Best Interest to Know about the Extraordinary Restorative Powers of Dr. Chase's Nerve Food.

Dr. Chase's Nerve Food forms new, rich blood, creates new nerve force and actually adds new flesh and weight. When you have read the letter quoted below we believe that you will be satisfied that this is the very treatment you need.

Miss Lena Hiebert, Lowe Farm, Man., writes:—"I had suffered for two years with dizzy spells, pains in the back, cold hands and feet, nervousness, jerking of the limbs, sore tongue, soreness of arms and shoulders, and general exhaustion. About seven months ago I became so nervous that I could not rest or sleep, and could not do the least bit of work without suffering dreadfully from pains in the back. I could hardly walk, could eat very little, and felt that people were always watching my body twitch."

"I tried several medicines with little effect, and was a mere skeleton of skin and bone about to give up in despair when I heard of Dr. Chase's Nerve Food, and began using it. I have used in all fourteen boxes of this preparation, and it has built me up until I am now strong and well."

again. Dr. Chase's Nerve Food has done me a world of good, and I feel that I cannot recommend it to highly to persons who suffer as I have."

Mrs. Welcher, wife of Conductor Welcher, of the G. T. R., 147 Congregation Street, Montreal, Quebec, states:—"My daughter was not at all well. She had no appetite, was pale and weak, her nerves were unstrung and at times she suffered a great deal from headaches. I got her a box of Dr. Chase's Nerve Food and since the use of this treatment for some time she has been thoroughly restored to health. This preparation has given her a good appetite, she has a much better color, and is stronger and healthier in every way. Dr. Chase's Nerve Food, certainly is the best tonic which we have ever had in the house."
