"That this convention in lorses prominent shapes d maintains the system of separate

and the reports of good resulting to crops are general.

An earthquake occurred Monday morning at Lima, Onio, at 10 minutes to 2. It was the severest shock experienced for many years, and was followed later by two others, and then, Mrs. Page, when you take about them? 'Well, to tell you the truth, sir, I really du! But my third hus, has hand, he was a man! I don't mix him up, lie got killed fighting—you've heerd tell of that I make no doubt. The others warn't nothing to him. He'd ha' mixed them up quick enough if they'd interfered wi' him. Lawk ha! He'd a made nothing of them!''

The latest comparison between the armies of France and Germany places the present and an umerically, while the latter present shock experienced for many years, and was followed later by two others.

Rev. Virgil Maxey, a noted revivalist and Baptist minister, of San Antonio, Texas, states that he will go on the stage Sept. I. Maxey states he will be on the stage six days and preach on Sunday.

The steamer Exeter City, from Swansea, has arrived at New York with the captain and eleven men of the crew of the Norwegian bark St. Louis, which sprung a leak and sunk of the Irish coast on May 19.

In Illinois the average condition of them!''

The latest comparison between the latter present shock experienced for many years, and was followed later by two others.

Rev. Virgil Maxey, a noted revivalist and Baptist minister, of San Antonio, Texas, states that he will go on the stage Sept. I. Maxey states he will be on the stage side days and preach on Sunday.

The texaster of the frem of the crew of the Norwegian bark St. Louis, which sprung a leak and sunk of the Irish coast on May 19.

In Illinois the average condition of winter wheat is 63, against 75 for May 1.

The Engineer Charged with Manshame of the the submerged of the the railroad cantastrophe in Oakland on Memorial Day, and the viction occurs of the the railroad cantastrophe in Oakland on Memorial Day, and the viction occurs of the the railroad cantastrophe in Oakland on Memorial Day, an

primer ahead numerically, while the latter a preparing to close the gap with the aid of the recent law. France on a peace footing has 520,548 men, and the law of five lears' service recently enacted permits her o add 600,000 men to her territorial army. The reforms increase the annual confingent by 60,000 men, and this brings it to 220,000. By countings the 25 congents under the law with their total asses, which are estimated at one-quarter, the effective force for mobilization amounts of 4,125,000. In Germany the annual configent is 164,000 recruits? 9,000 yearly clunteers and 17,450 reserves, giving a total for this contingents of 190,450. For the 24 contingents, and taking into account the losses, we arrive at a grand total on a the losses, we arrive at a grand total on a war footing of 3,350,000 men. Consequently, France could mobilize at the Present time 775,000 trained soldiers more than Germany.

The Opposition leader, at his recent patient institut mean to do. They pray to be delivered from Rykertism, and therefore they are going to see that Mr. Meredith and his met with success.

Teeth extracted without pain. Consciousness retained during the entire operation. Parents should pay strict attention to children's teeth from the age of three years. O. H. Zieolen, Dentist, 192 Dundas street. heating in Hamilton, was kind enough to suggest to the Liberals of that city that

THURSDAY'S ELECTION.

Flectors in East Middlesex should go arily to the poll on Thursday and vote for the man of their choice. They will save the Liberal committees a great deal of trouble if they do not wait to be sent for, but go and record their vote for the best man of the two in the field, Thos. H. Purdom.

But in any case they should vote, even at the eleventh hour. The election of 1886 and solve they should vote, even at the eleventh hour. The election of 1886 and the province of good government and the triumphant return of Mr. Purdom.

How to Mark Your Ballot:

They pray for the preservation of representative institutions, therefore they will not let Mr. Meredith get a chance to gerrymander Ontario and "hive the Grits" after the illustrious example of his Ottawa leader. They pray for the advance of temperance and sobriety and the retention of honesty in municipal government, therefore they will not permit Mr. Meredith to repeal the Crooks Act and restore the saloon influence in its old power in municipal elections. They pray for peace on earth and good will toward men, therefore they will not be provided in the control of the provided and the provided and the trium-phant return of Mr. Purdom.

How to Mark Your Ballot:

We also find that the railroad company destroyed because the place of the description of articles of nerchandise and the establishment of an attentional bureau lof information transmission of the classification and valuation of imported merchandise, a uniform nomenclature for the description of articles of nerchandise and the establishment of an attention of imported merchandise and the establishment of an attention of imported merchandise and the establishment of an attention of the place of Several Lives Lost.

Council Bluffs, Iowa, June 3.—The village of Loveland was nearly totally destroyed by a huge water spout yesterday Loveland is located in the Beyer Valley, in a gully. A terrific storm, amounting to a cloud burst, passed over the valley, breaking about a mile above the town, sweeping down the street and leaving hardly a house in the town. The loss of life, as far as has been heard from, includes Mrs. Sayles, an aged lady, and her son and others, whose names are unknown. One family was swept past and drowned. The search for missing bodies is so far unsuccessful.

Council Bluffs, Iowa, June 3.—The total; grand total, 1,994,728 85. Dividend 5 per cent, payable June 1, 1890, \$600,000, dividend 5

NEWFOUNDLAND.

The Islanders' Delegates Well Received in England.

Damaging Dispatches from St. Johns and Halijax Sensational Report of

Naval Movements.

London, June 2.—Excited telegrams from St. Johns and Halitax respecting the Newfoundland crisis are doing much harm here, prejudicing British minds against the colonists' case. According to the dispatches the belief is current in the island that the delegates here have met a cool reception. Nothing could be further from the truth. The delegates have

EVERY ERASON TO BE SATISFIED with the result of their labors so far. The papers during the last few days have been discussing the question fully and in a more favorable tone. Even the Times, which originally ridiculed the idea of buying out French rights, now admits it is worth while to make an effort. Gradually a truer notion of the real facts of the case is being grasped by the press and public men.

FROBABLY A PURE CANARD.

HALFARA, June 3.—The story published in London papers yesterday morning, that the North American squadron, under the command of Admiral Watson, the West Riding Regiment, under Col. Nesbitt, and two batteries of artillery, under Major Wills, had been ordered to immediately proceed to Newtoundland, has caused much amazement in official circles here. The North American squadron only arrived from its winter quarters in the West Indies at 6 o'clock this morning, and has NOT HAD ANY ORDERS FROM ENGLAND for some weeks. Admiral Watson's first

t The large barns and outbuildings, in which were stored the implements, etc., were burned to the ground. The property was insured for \$600, but this amount covers only about half the loss.

HIGH SCHOOL PUPILS TURNED OUT.

MONTREAL, June 3.—Fire broke out in the Montreal High School yesterday, when the pupils were at work. They were removed quietly and safely. Damage to the extent of \$1.000 was done.

A CONNECTICUT BLAZE.

were true I think I should have been informed quite as early as the London papers. You can put it down as a pure canard."

TROOPS FOR NEWFOUNDLAND.
HALIFAX, June 3.—There is a rumor that advices had been received from England that a regiment of line and two batteries of artillery were about to sail for Newfoundland in view of anticipated trouble. Two

land in view of anticipated trouble. Two torpedo boats are expected to arrive from England during this month. H.M.S. Tyne will accempany them out.

NEWFOUNDLAND'S CASE IN PARLIAMENT.

London, June 3.—Parliament reassembled yesterday, after the Whitsuntide recess. In the House of Commons Sir James Fergusson, Parliamentary Secretary for the Foreign Office, declined to lay on the table the papers relative to the negotiations with the United States concerning the Behring Sea trouble until the question is tions with the United States concerning the Behring Sea trouble until the question is settled. Sir James also stated that neither the French nor the English Government had received any information of the landing from a French war ship of officers and men on the coast of Newfoundland who ordered the Newfoundland fishermen to remove their nets and mon their refusal to do so nets and upon their refusal to do so removed them themselves. He was sure, removed them themselves. He was sure, he declared, that the officers on both the English and French service could be depended upon to preserve a conciliatory attitude pending an arrangement of the Newfoundland fisheries trouble. The Government had every reason to believe that the alarmist reports concerning the situation of affairs in Newfoundland were incorrect.

meet with their approval, but the compro-mise effected was better than the Govern-ment's original proposal for insuring the circulation. They objected to the un-claimed balance clause as useless and troublesome. He described the clause for-

Birchall Suffering from Rheumatism. Woodsfock, June 3.—J. R. Birchall, in jail here awaiting trial for the murder of young Beawell, is suffering from rheumatism, and has made application to have his cell carpeted, which request has been

Hereditary Prolificacy.

Ind. June 2.—Mrs. John granted. MARTINSVILLE, Ind., June 2.—Mrs. John R. Eunis, who resides a few miles northeast of this city, has given birth to triplets—two girls and a boy. The mother was herself a twin, and her mother and grandmother are each one of a set of twins.

Three at One Birth. Three at One Birth.

KINGSTON, June 3.—Mrs. Grant, of Oso, recently gave birth to three children. The children all died. This poor woman lost her husband only two months ago. His name was Charles Grant. He was killed in the copper mines above Lake Superior.

Validity of the Vacrant Act.

Validity of the Vagrant Act Validity of the Vagrant Act.

Toronto, June 3.— James Lynch was recently fined \$50 and costs or six months under the Vagrant Act. The case was aprealed before Chief Justice Armour and Chief Justice Galt yesterday morning, and the former decision was sustained on every point. This settles the validity of the Vagrant Act. Lynch's friends paid the fine.

Drank Lemon Extract and Died. FORT DODGE, Iowa, June 2.—An uncontrollable appetite for strong drink led to the death of O. T. Logerquist, a merto the death of O. T. Logerquist, a merchant of Gowrie. Logerquist was an habitual drunkard, and all the saloon men refused to sell him liquor. He bought some lemon extract at a grocery store and drank it straight as a substitute for whisky. The stuff drove him crazy and he committed suicide by cutting his throat with a razor.

A Canada Embezzler Caught in Brooklyn.

Brooklyn, N. Y., June 3.—Sixteen-yearold Alfred Silvester, who ran away from
Toronto, on May 25 with \$300 which he em
bezzled from the law firm of Wells & McMuncie, by which he was employed as
clerk, has been arrested here. Detective
Sergeant Roche found the boy at the Clarendon Hotel and locked him up in the
Adams street station. The lad spent ail
the money with the exception of \$20. He
will be sent back.

St. Clair River Tunnel. A Canada Embezzler Caught in Brooklyn.

St. Clair River Tunnel.

St. Clair River Tunnel.

Sarnia, June 3.—The length of the proposed tunnel from portal to portal is 6,000 feet; finished on Canadian side, 1,905 feet; finished on United States side, 2,245 feet. One hundred and five feet of the tunnel were completed last week. Only 1,850 feet remain yet to be finished. Joseph Hickson, general manager of the Grand Trunk Railway, and other officers have been here looking over the tunnel. It is expected that it will be completed in twelve weeks.

Manitoba's Crop Prospects—High Price

TORONTO, June 3.—The striking stone-cutters met yesterday to consider the result of the conference on Saturday between the spirit of concession abroad, and it is expected that the strike will be ended at the joint meeting between the joint meeting betw in Manitoba and the Western territories all give very encouraging views of the condition of the crops. Many farmers assert that even if we should have no more rain this season wheat cannot suffer from drought, as the plants have taken good root and are in a breathy and vigorous condition. Fight Hamilton, June 3.—The Ontario cotton mill was started up resterday, but only one weaver—a woman—returned to work, the rest of the strikers holding out.

THE PREACHER AND THE ALIEN LAW.
SAULT STE. MARIE, Mich., June 3.—Rev. Mr. Green, pastor of Escanaba Episcopal Church, will probably be tried under the Alien Contract Labor Law. He was pastor at the Canadian Sault Church, and, while serving there, was contracted with to supply the Escanaba pulpit. He claims he was ignorant of the law. District Attorney L. D. Palmer, of Grand Rapids, is investigating the matter. Local business men are also on the anxious seat, as and Gulf Lake the vigorous and strong growth of wheat equals that of the Portage plains." Altogether the present prospects for a large crop were never more favorable at this time of the year.

Another dispatch says: "The price of hay has taken a jump that has almost knocked stock owners breathless. The price is now \$29.50 at tan or \$1.15 per hundred in small.

many of their clerks are Canadian people.
BOOT AND SHOE WORKERS.
ROCHESTER, June 3.—The second annual convention of the International Boot and Shoe Workers' Association opened here yesterday. The association now has 115 unions and a membership of between 20,000 and 30,000.
LONDON, June 3.—The London Tailors' Union now has a membership of over 100,000 journeymen, and has opened its doors to thousands of under hands, not, strictly availing themselves of the opportunity of the western town, but that's what it is.
