SENSATIONAL SCENE

Connection With the Execution of a Murderer-Made a Desperate Attempt

to Escape.

Mount Holly, No. J., Dec. 4.—Charles Brown was hanged at 10:05 a.m. yesterday for complicity in the murder of Washington Hunter. A sensational scene was enacted in the county prison when Brown, rendered desperate by fear of the gallows, on which he later paid the extreme penalty for complicity in the murder of Washington Hunter. At sensational scene was enacted in the county prison when Brown, rendered desperate by fear of the gallows, on which he later paid the extreme penalty for complicity in the murder of Washington Hunter. Attacked his spiritual adton Hunter, attacked his spiritual adviser and attempted to escape.

At 8:30 a.m. the death warrant was read to Brown, and he was left alone in his cell with Rev. Mr. Delsieger. While the minister was reading the Scriptures, Brown assaulted him with an iron bar which he had concealed in his cell. The clergyman was rendered unconscious, and Brown walked out of his cell into the corridor. He made his way to the jail yard and attempted to scale the wall. Sheriff Fenton and Chief Clerk Joseph Fleetwood, procuring revolvers, cornered the murderer, who, waving the iron bar in the air defied the officials. The sheriff threat-ened to shoot him, and Brown, seeing the impossibility of escape, finally sur-

rendered and was led back to his cell Washington Hunter was over 70 years old, and lived with his aged wife at Riverside, N. J. He was a wealthy retired farmer. On the night of Jan 25 last, Charles Brown, John Young, Charles Miller and Otto Keller, forced an entrance into the old couple's home with the intention of robbing the place. Mr. Hunter resisted, and was brutally beaten with an iron bolt. His wife secured a revolver, with which the aged farmer defended himself, until his assailants were frightened away. Mr. Hunter's skull was crushed, and he died four days later. Young and Keller were arrested in New York, and Keller turned state's evidence, and he is now awaiting sentence. Brown was found in Sing Sing prison, where he was serving a term for burglary. Gov. Odell pardoned him in order that he might be brought here for trial on the murder charge. Miller escaped, and has not yet been apprehended. Young and Brown were both convicted of murder in the first degree, and were to have been hanged together. Young, however, secured a stay of execution through a writ of error.

How to Make a ROUGH SKIN SMOOTH

There are some whose skin is naturally very tender, so much so, that a slight change in temperature, either heat or cold, will cause it to become rough and scale. This is very annoying, whether it makes the skin sore or not. A trouble of this kind is to the skin being too dry, the

underlying glands not giving it food ough. It must, therefore, be fed rtificially. This may be done by using OLA CREAM, a scientific skin od. OLA CREAM is not a thin, watery fluid, but is of a creamy constency. Prepared from a valuable formula, consisting of healthful ingredients, which feed the skin, building up the tissues, supplying to the

glands that which they lack to prevent roughness.

Anyone who is troubled with roughness of the skin or chapped hands will find OLA JREAM a sure preventative.

We are receiving many testimonials for OLA CREAM. We have made a study of the care of the skin, and will be glad to give any information to anyone writing us.
