WESTERN FAIR SEPT. 5TH TO 13TH

Last Year's Board of Directors Again Elected Unanimously-Grant From the Government Looked For.

At the annual meeting of the Westrn Fair Association, neld yesterday the directors named last year—Capt. W. J. Reid, Lieut.-Col. J. W. Little, Ald. J. H. Saunders, T. H. Smallman, Jeffrey Hale, W. M. Spencer, W. W. Gam- tee-Mr. Jeffrey Hale. W. M. Gartshore, John Pringle, R. A. Carrothers, and William McNeil—were Chairman of the Grounds and Chairman of the Attractions Committee—Wm. The dates set for this year's fair were from FANCY DRESS DANCE

the 5th to the 13th of September. President Reid presented his annual report, which reviewed the work done during the year. The exhibition of 1912 was the best in the history of the association, and his hopes were that the fair of 1913 would also eclipse all previous records.

Look For a Grant.

Capt. Reid was hopeful that a sub-stantial grant would be obtained from the Government. He reviewed the visits to Ottawa and Toronto, and told of the interviews with Hor. Martin of treatment had been accorded them, and he expected an annual grant of main building had outgrown its usefuling. The poultry building was also overcrowded, and more room was necessary there. It would be necessary to add at least \$2,000 to the prize list.

Mr. William McNeil supported Mr. Greer in his contention. The citizens had not supported the fair, as it deserved. The Western was self-support ing, one of the few fairs in Canada that paid its way. His opinion was that city council should take over the buildings, keep them in repair, and hand them over to the Western Fair Association during exhibition time.

Mr. William Moore thought the city of London as a whole had not done its share towards the fair. The directors had given their time unselfishly to assist in making the fair a success, but their efforts were not backed up as they should be. They were responsible for any deficit, and the strictest economy had to be practiced to keep the fair a success.
