FIVE YOUTHS ELECT TRIAL BY JUDGE ON **AUTO THEFT CHARGE**

To Face Judge Macbeth Monday Morning-Two Are Already Sentenced.

Trial by jury without a jury was the election of Chester Roe, George Langridge, George Grant, Orville Restorick. and Clarence Greason, when they appeared before Judge Talbot Macbeth at the courthouse this morning, charged with the theft of an auto, the property of George Geogeghan. The crime was alleged to have been committed in Westminster Township on July 20. The five pleaded not guilty to the charge. Crown Attorney J. B. McKillop, K.C.,

was represented by his counsel, R. G. Fisher; Langridge and Restorick by E. W. Scatcherd, and Grant and Greason by J. M. Donohue.

Langridge and Restorick have already pleaded guilty to one auto theft in the city, and have been sentenced to year in jail by Magistrate A. H. M. Graydon for it.

P Farmer Near Brantford Loses His Entire Season's Crops. Misunderstanding Over Who

BRANTFORD, Aug. 3.—Damage estimated at \$6,000 was caused today physicians. against 53.1 White School House road were burned to the ground. The contents include a year's crop of grain and hay, three calves, eight pigs and more than 50 chickens. Some implements were also destroyed. It was a hot blaze and it City Clerk Is Quite Willing

City Clerk S. Baker denies that he was instructed as secretary of the Town anning Commission, to write to Thos. dams of Ottawa, town planning expert, soliciting his assistance for London, during the rest of this year. It has been alleged that Mr. Baker, neglecting to get in touch with this ex-pert, will cause a financial loss to the

He produced the minutes of the Town Planning Commission for the meeting of July 25, which read: "It is moved that immediate steps be taken to secure Mr. Adams for the balance of 1921 at least, and that the matter be referred to Mr. Gordon Philip."

The city clerk explained that he was not present at this meeting, attending a sitting of the housing commission, which was being held at the same time. Gordon Philip." However, he declares that his assistant who was present at the town planners' session, vouches for the accuracy of the minutes empowering Secretary Philip of

the Chamber of Commerce to get in touch with Mr. Adams. Favors a Change.

"If a change in the secretary of the town planning commission, as intimated in the Free Press, is contemplated, I ope it is done, as far as I am con-rned. Although legislation says that must not be done, the city council erned. struck out the estimates for town planning. The act says that the estimates of the town planning commission should be approved by the council."

be approved by the council.

"There is no provision in the estimates for the \$3,000 required for Mr. Adams's services, and I would have to get authority from No. 1 committee to write the letter asking him to come here. I understood that Mr. Philip was appropried to do this to get around such appointed to do this to get around such a liability."

No Reason for Quarrel.

Was To Write Letter

To Expert.

PRODUCED MINUTES

Change of Secretary

Should Be Made.

Mr. Philip is on his holidays at present, but, interviewed over long distance the meeting, but understood that the attended the meeting, but understood that the secretary of the commission (City Clerk Baker) was instructed to write to Mr.
Adams. He stated that it was suggested at the meeting by some members that Mr. Philip write to the expert, but he understood that the suggestion was not accepted.

However, the Chamber of Commerce secretary declared that there was no need for quarreling over such a mis-understanding, and that he will imme-

diately take steps to get in touch with Mr. Adams, with a view to getting him here at once, in accordance with the wishes of other members of the town planning commission. wages to take care of their candy bills. Very likely most of the money wast of the maney wast of the maney wast of the maney boxes. Mere man cannot detect the difference between the 60-cent brand turned out by the candy kitchens and the \$1.25 kind that comes in fancy boxes from the higher-priced stores. But mere man knows better than to offer a box of the candy kitchen kind to a new sweetheart, or to his wife on her birthday or wedding anniversary. Perhaps friend wifie will graciously condescend to eat 60-cent candy on ordinary weekends or Wednesday half-holidays, but not—not on the state occasions of family life, like birthdays, wedding anniversaries, Christmas or St. Valentine's Day.

And yet mere man on his own birthday, with never a murmur chickes back the rising flood of indignation that his stomach threatens, while he manfully make the bargain box of cigars which the dominant factor in his household unbirshingly purchased at a cut-price cigar store. Men are philosophical. They can be driven to reason, and so after learned to find the dominant factor reason, and so after learned to find the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to take the dominant factor reason, and so after learned to the dominant factor reason, and so after learned to the dominant factor reason, and so after learned to find the dominant factor reason, and so after learned to find the dominant factor reason, and so after learned to find the dominant factor reason, and so after learned to find the dominant factor reason, and so NEW YORK STOCK EXCHANGE.
