**HE ONLY GETS THIRSTY
WHEN HE HITS LONDON**

Patrick Riley, However, Gets
Chance To Carry On
To Wingham.

Patrick Riley was fortunate this
morning.
Appearing in police court charged
with being intoxicated, Pat with no
preliminary excuses pleaded guilty.
But there were extenuating circum-
stances, and Deputy Magistrate Glad-
man took them into consideration.

Pat is a pedlar, and was ready to
start for Wingham yesterday after-
noon when he lapsed from the
straight and narrow.

At noon today he again started for
Wingham, but this time he will get
there.

"I get drunk once in a while, your
worship," said Pat. "It is my only
fault, and sure it is a bad one. I
don't know what it is, but it only hap-
pens in London."

"I'll give you the chance to carry
on to Wingham," stated the court.
"Thank you, sir," replied Pat, as
he left the courtroom.

Twenty minutes later he was
seen walking along Talbot street with
his grip in his hand, on the way to
the station.

William Quan, Chinaman, Clarence
street, was fined \$5 and costs for
allowing a dog in his possession to
run at large, although warned that
he must keep it tied up.

The case of Lillian Burridge vs.
Harold Burridge, which has been
dragging along now for the past six
or seven weeks, was again adjourned
for a week, at the request of counsel,
who stated that a separation agree-
ment was being considered, and it
was possible the parties would come
to an amicable settlement.

FRACTURES WRIST.
Fred Grayson, 238 King street, suf-
fered from a fractured right wrist,
when the car which he was attempt-
ing to crank back fired. Grayson was
taken to Victoria Hospital, where
X-ray photographs were taken.

FOUR YOUNG WOMEN TAKE SISTERS' VOWS

Impressive Ceremony Carried
Out in Chapel of Sacred
Heart Convent.

One of the most impressive and
touching ceremonies of the Roman
Catholic Church was conducted yes-
terday in the chapel of the Sacred
Heart Convent, Queen's avenue, when
four young ladies received the habit
of the Sisters of St. Joseph, thus
entering a life set apart from the
pleasures of the world and specially
dedicated to the service of God.

Seven other young ladies, who have
already spent three trial years, made
the usual religious vows for another
three years, that they may further
test their vocation before binding
themselves perpetually to the duties
of a religious life.

The four young ladies who received
the holy habit are: Miss O'Rourke, in
religion Sister Mary Jane Frances;
Miss Reid, Sister Mary Colette; Miss
Hanlon, Sister Mary Geraldine; and
Miss Levesque, Sister Mary Medard.

The novices who made their first vows
are: Sister M. St. Maurice, Sister M.
Electa, Sister M. Amela, Sister M.
Angela, Sister M. Sabina, Sister
Mary Joseph, Sister M. Jerome,
and those who pronounced their final
vows, Sister M. Calvary and Sister
M. Beatrice.

His lordship preached a clear and
forceful sermon on the duties and ob-
ligations imposed by the vows of the
nuns, mentioning the eternal reward
earned by those who have left home
and kindred and all that the world
holds dear, to enter upon the harder
more exacting and at the same time
more beautiful life of a nun.

Besides His Lordship Bishop Fallon
and his two assistants, Reverend
Fathers Plannery and Kelly, the fol-
lowing priests were present in the
sanctuary: Monsignor McKeon, Fathers
Burry, Stanley, Foster, Mahoney,
McRae, Hussey, Valentine, Goetz,
Fallon, Corcoran, Oswald, Carney,
Sullivan, Forristal, O'Donnell, Weber,
Chisholm and Harrigan.

**CABINET MINISTERS
MEET NO OPPOSITION**
Canadian Press Despatch.
Toronto, Aug. 16.—There was no
word at 2 p.m. today from any con-
sensus where renominations of
provincial cabinet ministers are tak-
ing place today of any opposition be-
ing offered to the return of the mem-
bers of the government. The formal-
ities were gone through in Parkdale
(Hon. W. H. Price), West York (Hon.
G. S. Henry), without much ap-
parent interest being taken.

**MAN HELD FOR MURDER
GOES ON HUNGER STRIKE**
Montreal, Aug. 16.—Isidore La-
montagne, who is being held in de-
seux jail charged with the murder of
his sister, Mrs. Cusson, at Terre-
bonne, several weeks ago, has been
on a hunger strike since his admis-
sion to the jail. Milk and eggs are
given to the prisoner through a tube.

PAINTING OF KEWPIES NO WORK FOR SUNDAY

Doll Decorators Fined For
Violation of Lord's Day
Act.

Even kewpie dolls must have their
powder and paint.
This was made evident in police
court th. morning when four per-
sons appeared charged with violating
the Lord's Day act.

Salvino Pagalaini, together with
his three partners, Nalia and Mary
Pagalaini and Philip Nicolai, Ita-
lians, woke from their slumbers last
Sunday morning with the horrible
thought that they must complete the
dolls of several score of the in-
numerate little beauties.

Taking into consideration the fact
that every woman is permitted to use
her powder, etc., on the Sabbath, Sla-
vino et al. visited his warehouse on
Richmond street, where the dolls had
been born the day before, and taking
brushes in hand, set out to make the
inanimate bits of plaster-of-paris
look like their living sister.

With loving touches and fine shad-
ing the complexions on the dolls
grew more and more lifelike. A little
red here and a little flesh color there
and it was not long before many of
them were decked out in the lovel-
iest bloom ever seen on the cheeks
of any daughter of Mother Eve.

Engrossed in their labor, the four
partners did not know that they were
being watched by the unsmiling
eyes of the policeman. With-
out a thought of anything but their
dolls they continued to labor, and one
by one the works of art appeared.

Gratified with the progress they were
making it was not long until they had
finished.

Then, tragedy of tragedies, the arm
of the law stepped in and told them
they must answer to a breach of the
Lord's Day act.

This morning a plea of guilty was
entered and Deputy Magistrate Glad-
man assessed the four \$3 and costs.
It was paid, but in future the
kewpies must go without their Sun-
day primping.

**MONTREAL POLICE ARE
MYSTIFIED AT ACTION**
Special to The Advertiser.

Montreal, Aug. 16.—Local police are
puzzled regarding the attitude of the
police officers of Toronto with regard
to the three men arrested on Tuesday
night in connection with the sensa-
tional Toronto bank hold-up recently.
Up to noon today no word had been
received by Chief Mercier, head of
the Montreal detective department, in
reply to his notification to Toronto
that the men had been arrested.

Only through newspaper telegrams
have the local officials learned that
the Toronto authorities are waiting
for photographs and fingerprint de-
scriptions before sending officers to
identify the suspects.

Chief Mercier this afternoon will
hold a conference with the chief of
police and the three detectives who
made the arrests. It will then be
decided what action to take with
regard to the holding of the men.

DECIDED IMPROVEMENT QUICKLY NOTICEABLE

Dreco Proves Wonderful Help to Mr. Simpson, Who Feels
Very Much Encouraged as a Result.

"For several years I have suffered
from stomach trouble," says Mr. E.
A. Simpson, of 184 Willard avenue,
Toronto. "I had bilious attacks, and
it seemed as though something was
going on in my stomach. My food didn't
seem to digest properly. My system
in general was in fairly good condi-
tion until one of these gastric spells
came on, and then I was unable to
eat but very little for several weeks,
and had to be extremely careful of
what little I did eat."

"It seemed impossible to get a
stomach remedy that would give me
very much help. However, I read of
Dreco doing so many people good
that I decided to give it a trial. Much
to my surprise, it has, in only one
week's time, given me great benefit.
My food digests better, and that
heavy feeling in my stomach has al-
ready improved. I am continuing the
Dreco treatment, as I feel very much
encouraged by the results obtained
thus far."

Dreco's action on the organs of
digestion is quick and sure. It gets
right to the root of the trouble at
once. Dreco contains no mercury,
potash or habit-forming drugs, but
is made solely from herbs, roots,
bark and leaves. It has put thousands
on the high road to better health.
Let it help you, too.—Adv.

Dreco is being specially introduced in London by Standard
Drug Limited, and is sold at all their stores in London, St.
Thomas and Woodstock. It is also sold in other cities, as fol-
lows: Chatham, W. W. Turner; Sarnia, Ingersoll's Drug Store;
Stratford, Nasmith; Harwood, Galt, R. W. Meikleham;
Ingersoll, A. L. Law; Ridgetown, D. H. Stewart; Bothwell,
Bothwell Drug Store; Lucan, H. S. Stanley, and by a good
druggist everywhere.

Entries in the livestock exhibitions
are pouring in. The butter exhibit
this year already has a heavy entry,
and every show promises to be larger
than last year. Carpenters have start-

new Manufacturers' building, and al-
most all of the space has already been

According to Secretary A. M. Hunt
the sooner people desirous of making
