(From the Ledge.) bia, is now a surety. Comodore Troup, who family follow with \$250 more, and a friend weeks, has let the contract for the vessel, which will be the largest and finest boat ever floated on interior waters. It will be There are also promised liberal amounts from some ladies in England and from the have 30 staterooms, and will carry 300 tons of ore. It will be thoroughly modern in equipment, being lighted by electricity equipment, being lighted by electricity and having a powerful search light. The frame is now being built at New Westminster, and the boat will be put on the wayshere. It will cost \$40,000, and is intended

for the Revelstoke Northport route. Capt. Troup expects to have it finished by the end of June. This will make six boats owned y the company on Kootenay waters. The Nelson and Spokane will look after the Kootenay lake traffic, while the Lytton, Kootenai, Illecillewaet and the new boat will tend to this route. Capt. Troup expects a big season's business.

NEW BENVER

(From the Nakusp Ledge.) Bad roads, as a result of the early spring, careful consideration and at the request of a over the district. The N. & S. railway has have interrupted the shipments of ore all Frank Smith, charged with stealing dry goods from Stevenson & Co.'s store, came before Judge Harrison to-day and elected causing the ore to pile up at the concentrator and Three Forks. There are 1,000 tons up there at present, and the owners are doing some tall kicking. One hundred and fifty-two tons were, shipped out before the slide occurred. This all went to Omaha. From the initial shipment on September 13, 1894, till January 1, 1895, the Slocan mines sent out over the Nakusp and Slocan railway 2,151 tons of ore, valued at \$215,000; and in January and February the shipments were 947 tons, valued at \$94,700.

Three good properties were disposed of last week at Trail Creek. They were the Poorman, Novelty and California, and \$20,-000 was paid for them. The purchasers were all prominent mining men of Butte, viz.: I. Silverman, Gen. Warren, J. A. Coram and C. H. Palmer. The money was paid over in Spokane. It is purposed by

means of enabling Mr. Thomas to keep the opera house open. One hundred and thirty didate for the forthcoming Dominion election in place of Ralph Smith, retired. The government supporters here are in the majority, and should Mr. Haslam stand again he will be accorded a hearty support from the interpretation of freight on fruit last night owing to a vacancy in the fire dethe islands.

The Newport wharf on Galiano Island ens further west into this section of B. C., and to furnish a special car to be run on have acquired title to over \$500, special days to accommodate the demand.

The weather at Revelstoke this winter, Mr. Stephen Hoskins, whilst crossing the Pass on Thursday in a small dingy, had the misfortune to lose one of the oars. The snowfall has been fully ten feet, and after strong flood tide running at the time made it rather uncomfortable for the occupant of the boat who was in peril of being carried into the gulf. He managed, however, to steer clear of the tide rips until picked up by a passing sloop.

The strong flood tide running at the time made settling by soft weather and rain, was nearly four feet deep on the level. Not a storm, no drifting wind, not even a z phyr sufficient to disturb a descending snowflake, has occurred during the entire winter.

association being strongly urged by Mr. Kelowna and twelve in favor of Benvoulin; Palmer. Several orchards were afterwards while the proxies were eight to one in favor visited, the delegates leaving the following of Kelowna, making a total of twenty-four

to thirteen for the latter place.
A subscription list was then opened and over \$1,200 was subscribed, The building of a large steamer by the C. & K. N. Co., to replace the ill-fated Columbia. is now a surety.
