one of the most interesting questions which came up at the last session was the loan of \$10,000,000 to the G.T.P. The government had quoted, as a precedent, the loan to the C.P.R. in 1885. But, said Mr. Barnard, the conditions which came up at the last session was unable to be present. The Premier stated that it was to him a matter of great pride to be taking part in this welcome to their member. If Mr. Barnard, the conditions are these loans were very different.
