Rheumatism Cured

"In July last I was taken with rheumatism in its worst form. Local physicians treated me but their remedies did not give me any relief. I was advised to give Hood's Sarsaparilla a trial, which I did. I take great pleasure in stating that two bottles gave marked relief. I am continuing regularly with the medicine."

Mr. Byron Crandell, Ionia, I am now cured. Who afflicted I was frequently obliged to use crutches. I cannot recommend Hood's Sarsaparilla too highly. BYRON CRANDELL, course about Water Works, Toronto, Ontario.

ONLY A WORD OR TWO.

The Mothers Most Interested.

BABIES AND LACTATED FOOD.

Just a few words to-day, dear mothers, on a subject that you are much interested in, and on which much of your happiness depends.

Are you aware of the fact that thousands of mothers in Canada—your relatives, friends and neighbors—have to thank Lactated Food for what it has done for their babies?

Many pale-faced, drooping, puny and half-died babies have been made strong, bright, charming and good-natured by Lactated Food, after all other forms of nourishment had failed. Hundreds of mothers have written to the manufacturers of the great Lactated Food, and honestly confessed that their babies would have died if Lactated Food had been wanting.

Today the attention of the whole medical world is directed to this wonderful health-producing food, and our nurses do not simply advise mothers to adopt its use. Why will mothers and nurses use inferior and dangerous foods, when the Lactated Food gives health, strength and heartiness? Baby's life is always protected when Lactated Food is used.
