Address and Presentation

A very enjoyable evening was spent at the home of Mr. W. A. Smith Monday, when a number of the parents and pupils of S. S. No. 6, Warwick, met to bid farewell to their teacher Miss Sadie Mains.

After a program of music and games Miss Mains was presented with an ivory toilet set and gold mounted umbrella and the following address :—

TO MISS SADIE MAINS—We the pupils and parents and ratepayers of S. S. No. 6, Warwick, having learned with deep regret that you are about to sever your connection with us as Teacher, have met to show in a humble way our appreciation of your services in the school, knowing that your labors have had their effect from the fact that your pupils have passed into the high school in as large a percentage as any rural school in the inspectorate, but not alone for this, we as parents believed that we had in you one whose daily walk and conversation was worthy of emulation by our children and under your guidance and kindly demeanor our children were safe in your keeping. It sometimes happens that through life we are subject to adverse criticisms which are often brought into play but against these you were clothed with all the womanly virtues which go to make the lady and were able to see them fall harmless at your feet. We ask you to accept these gifts as a slight token of our appreciation of your services and may it be a reminder in years to come of the pleasant recollections of the past. With kindest wishes for your future welfare wherever your lot be cast.

Signed on behalf of the pupils and parents.

A very pleasant evening was spent by all present. The gathering dispersed after singing the National Anthem.

Presentation to Pte. William Bourne

A very pleasant evening was spent at the home of Mr. Wm. Bourne, Deputy Reeve of Brooke, when a number of neighbors and friends met to do honor to Private Bourne of the 70th Battalion who was home for the last time before leaving London for other training. Rev. Dr. Brown, pastor of family, took charge of ceremonies. A program of much interest was given : instrumental music by Mr. D. Leitch and Mr. Mc Neil, Miss Ross, Miss Loosemore, Miss Ada Bourne ; solo by Mrs. Waite of Sarnia ; addresses by Mr. John Elliott, Mr. W. Bourne and Dr. Brown. All joined heartily in singing "We Will Never Let the Old Flag Fall." Private Bourne was asked to stand while Mr. John Bowie read the following address :

Alvinston, April 8th, 1916.

TO MR. WILLIAM BOURNE, Alvinston Ont. DEAR FRIEND :—Anticipating the very near future when you will have cast off your moorings from the associations of boyhood years and sailed away to other lands, we, a few of your friends and neighbors have now come together with you in our midst, to give expression to our regret at the severance of old ties for a time, and our pleasure and pride in your noble response to the call of the Motherland in her hour of need.

As you are leaving the home which has sheltered you so kindly from infancy, we realize at what cost you have put aside a life of comfort, ease and happiness; but you are taking up a life, the nobility and unselfishness of which will never die. For you are putting on the King's uniform in the cause of right against might that Honour, Liberty and Justice may still be supreme in this land of ours. And we are deeply touched when we think that you have done so that all our homes may be saved from a foe that knows neither Truth, Freedom nor Honour.

We are confident that in the future as in the past you will stand as a worthy example of all that is best and noblest in Canadian manhood and uphold the traditions of courage and dauntless bravery made by your brothers at Ypres, Langemarck and Givenchy.

Bespeaking a life so eminently satisfactory in all its relations, we ask you now to accept this wrist watch, shaving kit, writing pad and fountain pen as a tangible reminder of the good wishes of a few of your friends.

As it ticks off the minutes may it ever be a link in the chain of memory binding you to the dear associations at home. wind it up each night as we trust you may for many years, for the sake of Auld Lang Syne let your thoughts revert to those friends here assembled, who now join in wishing you God-speed in your errand and a swift and safe return.

Signed on behalf of your friends and neighbors,

John Bowie
Frank Young

Two little girls, Kathleen Ross and Florabell Bowie then stepped forward, took Pte. Bourne by the hand and placed on a beautiful wrist watch, in doing so they kissed the hand of the brave young man who is going forth to defend our country's interests. The other following gifts were presented by the friends, a shaving kit, fountain pen, writing paper and envelopes. The ladies then took possession of things by serving a bounteous repast. A pleasant evening came to a close by singing "God Be With You Till We Meet Again."—Con.

A GOOD MEDICINE FOR THE SPRING

Do Not Use Harsh Purgatives—Tonic Is All You Need

Not exactly sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite fickle, sometimes headaches, and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order—that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble.

Do not dose yourself with purgatives, as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you this is true. What you need in spring is a tonic that will make new blood and build up the nerves. Dr. Williams' Pink Pills is the only medicine that can do this speedily, safely and surely. Every dose of this medicine makes new blood which clears the skin, strengthens the appetite and makes tired, depressed men, women and children bright, active and strong. L. R. Whitman, Harmony Mills, N. S., says :—"As a tonic and strength builder I consider Dr. Williams' Pink Pills wonderful. My whole system was badly run down, and although I faithfully took a tonic given me by my doctor I could note no improvement. Then I began Dr. Williams' Pink Pills and was soon restored to my old time health. I can most heartily indorse this medicine.

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville Ont.
