

## IN MEMORIAM.

*To the Memory of my late wife, who died 26th  
June, 1865.*

Belov'd by those, who from close contact saw  
The spirit brave, the fragile form illume,  
Precoc'ous thought, fledg'd her muse early, and  
In riper years, a bold protest she sung  
'Gainst man's foul outrage to the hapless slave.
