DID you ever see or hear of anyone that thoroughly understood the feeding of stock but what they said that salt is one of the things stock of all kinds should always have access to? Loose salt soon wastes, and your stock go without until you find time to replace it.

Rock Salt

can be laid out in the field or put in the manger and they always have it. It does not waste. Try a shipment.

400 lbs. or over at 50c. per 100 lbs.
