T. F. WRIGHT
Principal

As I could not find words to express myself when you were leaving, I could not tell you how much I appreciated your methods of teaching. I do not consider there was one single flaw in your explanations as you gave them so clear that I seldom found it necessary to ask questions. I assure you that if I have any friends desirous of taking a course in any business college I will recommend the one that Mr. T. F. Wright is Principal of.

CHAS. E. SMITH
Vice-Principal

I am pleased to state that I consider "A Practical Course in Touch Typewriting," the only text-book from which I studied, the best typewriter instruction book that I have seen. The exercises are excellent, and have helped me wonderfully in working up speed. The whole course is very interesting from the beginning, and it cannot but produce the best results in the shortest time. I attribute my success in typewriting in a large measure to the assistance given me by Mr. Chas. E. Smith, the author of the book, and I am sure anyone who uses it will be more than pleased with the results.—

ROSE L. FRITZ.

Mr. Wright has charge of the Bookkeeping and Mr. Smith of the Shorthand and Typewriting Departments of Business Systems College. With this strong pair in command and with plenty of capable assistants the very best work in both departments is assured.
