Rep. Thos. Hutchings presented a report from Committee on Juvenile Organizations, viz.:

Hillsburgh, Digby Co., July 30, 1873.

The Standing Committee having supervision over Juvenile Temperance Organizations, have much pleasure in reporting the several Bands of Hope, and Sections of Cadets in efficient working order. The Committee hail with pleasure the addition of another link to the chain, in the organization of a Band of Hope at Guysboro by the G. W. P., comprising eighty members.

Since the last Session of this Grand Division, some of your Committee and other friends of the cause, had the pleasure of instituting a Section of Cadets of Temperance at Port Williams, in Kings County; this Section is now in active operation.

The Committee have great pleasure in stating that on the 22nd inst., a Grand Section of the Order of Cadets, for the Province of Nova Scotia was duly organized at Halifax, by a deputation from the Grand Section of New Brunswick. During the Session, an Executive Council for the Dominion of Canada was formed, said Council to have a general supervision over the Order, and for the placing of this branch of the Temperance work in this Province, under the protection of this Grand Division. You are requested to appoint two members *annually*, who will be entitled to seats in the Executive Council.

It is hoped that this important step in the right direction, may be encouraged by every Son of Temperance, to the end that the principles we love and cherish may be promoted, and the world made the better for the efforts thus put forth.

Respectfully submitted in L. F. & P.
