#### Publisber's Bepartment.

Our government can no longer be said to be an experiment. One hundred years of successful existence have established it as a permanent in intuition. The magnificent conduct of the people during the late election proves their patriotism, and the wisdom of our Constitution. Our immense compercial interests also furnish convincing proof. We know of no better illustration of the success trending honourable and able business methods from the firm of D. M. Ferry & Co., Detroit, Dick, the sading seedsmen of this country. From an box famings, thirty years ago, they have built up their mammoth business by strict adherence to their inpital principle of furnishing only the best seeds obtainable. They offer to send their valuable "Annual" free to all who expect to buy seeds or bulls.
