"I DO not desire wealth for itself," remarked the philosopher. "No," replied the cynic, "I suppose you desire it for yourself."

CURE FOR CROUP.—Prompt relief to prevent suffocation from the accumulation of tough mucus—the formation of the false membrane—and the constriction of the air passage, is necessary in case of a sudden attack of croup. Hagyard's Yellow Oil should be used at once, afterwards Hagyard's Pectoral Balsam.

"WHERE is the ideal wife?" asks the lecturer. "Well, if she is out looking for the ideal husband, her search will prove fruitless."

THE STORY OF HUNDREDS.—In a recent letter from Mrs. Sarah A. Mills, of Wheatley, Ont., she says, "I was a sufferer for six years from dyspepsia and liver complaint. My food did not digest, and I grew weaker every day. I lost appetite and had little hope of recovery. I tried many remedies, but all in vain, till I took Burdock Blood Bitters. The first bottle gave relief; after taking seven bottles, I am thankful that I now enjoy good health."

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

"AH," said the conceited young parson, "I have been preaching to a congregation of asses." "Was that the reason you called them brethren?" enquired a strong-minded young lady.

WHAT A WONDERFUL DISCOVERY is Perry Davis' PAIN KILLER! It not only cures the ills of the human family, but is also the sure remedy for horses with colic. It has never been known to fail in a case of the worst cases; and for sprains, galls, &c., it never fails—try it once. Directions accompany each bottle. Sold by druggists generally.—Kenton County (Ky.) Democrat.

"CAN you conceive," asked the professor, "an eternal vacuum, a portion of space unoccupied, an empty void, into which nothing can ever come, which maintains inviolate and forever its own eternal emptiness?" "I can," replied the student; "I have a stylographic pen."

MONTAIGNE speaks of "reposing upon the pillow of a doubt." Better repose upon the certainty that Dr. Pierce's "Favourite Prescription" will cure all chronic female diseases with their attendant pains and weaknesses.

Dear Sir—Your "Favourite Prescription" has worked wonders in my case. It gave immediate relief.

DE CAD: That little Miss Beach is a regular little fool. Bagley: Oh, no. De Cad: Yes she is. Any girl who will flirt is a fool. Bagley: Does she flirt? De Cad: Why, she flirted with me all last evening. Bagley: Oh, well, then she is a fool.

ANOTHER DREAD ENEMY VANQUISHED. BEFORE AND AFTER DRINKING ST. LEON WATER.

DEAR SIR,—Hereditary salt rheum has been the bane of my life. Every winter my hands and feet swelled and opened in deep sores, pained and weak, often laid up, tried the 101 patent cures, got worse treated by leading doctors and given up, have drunk St. Leon Water for three months, am twenty-seven years old, and to-day feel stronger and healthier than ever before. St. Leon has triumphed gloriously. Salt rheum, swellings, sores and weakness all go, work is new a pleasure, eat well and sleep sound, would give up part food rather than St. Leon. Yours, F. THORNTON, 133 Sydenham Street.

This valuable Water is for sale at only 25 CENTS per gallon by all leading Grocers and Druggists. Wholesale and Retail by the ST. LEON WATER CO., 101 1/2 King Street West, Toronto. Also at Branch Office, H. B. RONAN, 512 Yonge Street.
