The above cut represents a Respirator used at night. has opened a permanent office in Toronto. He has been unable to open his city office, owing to his late practice throughout the Dominion, but having secured competent surgeons to assist, will enable him to devote his time in the future (very largely) to his city practice. DR. WASHINGTON graduated in 1872 at Vic. College with honors. Also passed the examinations of the College of Physicians and Surgeons the same year. 1881 and 1883 visited the best colleges in America, taking a special Potency course of Diseases of the Throat and Lungs. Since has devoted his whole to this specialty. The success of his "New Method of Cold Inhalation," by which "Cold Medicated Vapour" is conveyed directly to the seat of disease, is almost marvellous.

**READ TESTIMONIAL:** W. H. Storey, glove manufacturer of Acton, also President of the Manufacturers Association of the Dominion, cured of Obstinate Catarrh. DR. WASHINGTON, 82 McCaul Street, Toronto.

DEAR SIR,—I am repeatedly asked, orally and by letter, as to your treatment for Catarrh (owing to my having been cured by you two years ago) and as to the permanency of the cure. To all such enquirers I feel pleased to say that you cured me of the most stubborn case of Catarrh, after I had been treated by several physicians a note without any beneficial results. I am entirely well and have been so ever since, and I cannot do less than tender you my gratitude for what you have accomplished in my case, and hope you may be the means of benefiting others. With kind regards, I am, yours truly, W. H. STOREY.
