In the Matter of the Winding up Act (Dominion) and of the Acts amending the same.

Pursuant to a winding up order of the Court dated 6th September, 1902, made in this matter, there will be sold by and with the approbation of William Louis Scott, Esquire, the Master of this Court at Ottawa, at his Chambers, in the Court House, at the City of Ottawa, at the hour of two o'clock p. m. on the 12th DAY OF NOVEMBER, 1902, the following real and personal estate, the property of the said Company, all situate in the Province of British Columbia, Canada:

PARCEL NO. 1.—Lot No. 55, comprising 21,600 acres more or less in the Seyward District, Vancouver Island. Title renewable leasehold.

PARCEL NO. 2.—Lot No. 499, G. 2, comprising 6,480 acres more or less, situate in the District of New Westminster.

Lot No. 40 C, comprising 6,750 acres more or less, in the Chilliwack District.

Lot No. 57, comprising 15,900 acres more or less in the Chilliwack District.

Lot No. 59, comprising 1,045 acres more or less in the Chilliwack District.

The above four lots are held under renewable annual leases.

PARCEL NO. 3.—A tract of land comprising about 400 acres more or less, held in fee simple including a mill site and farm lands on block situated on the north bank of the Fraser River about three miles east of New Westminster, B.C. About 300 acres of this land is cleared, graded and drained and has been under cultivation a number of years. The mill located upon this site is a frame mill about 455 ft. by 72 ft. with T across tail end of main building, about 175 ft. by 60 ft. The whole structure from foundation up is built in a most substantial manner, well timbered and braced with knees, metal roof, contains three steam engines of three hundred horse power each, and is fitted throughout with special machinery for working up B.C. timber of all dimensions as well as for working out the refuse into laths, pickets, etc., also planers and matchers, with a large assortment of tools, plant and equipment; also one large refuse burner, one large stone boiler house, metal roof, containing ten large tubular boilers, steam pumps with all necessary and proper attachments, good frame office, boarding house, cottages, horse stables, blacksmith shop, and machine shop, with good electric and complete plant of tools and machinery in each shop.

Each parcel will be offered for sale separately, without reserve. All persons other than the liquidator are to be at liberty to bid.

The property will be sold subject to all rents, taxes, dues and rates accruing due subsequent to the 31st December, 1902.

The purchaser shall, at the time of sale, pay a deposit of 10 per cent. of their purchase money and shall pay the balance within one month of the day of sale. The purchaser shall have the conveyances prepared at their own expense and tender the same for execution. All expenses of and incidental to the investigation of titles, including the abstracts thereof, shall be borne by the purchaser. The vendor will be bound to produce only such title deeds as are in his possession. In all other respects the terms and conditions of sale shall be the standing conditions of this Court.

Further particulars may be had on application to E. S. Leatham, Esq., the Liquidator, or to Messrs. Christie & Greene, his solicitors, No. 110 Wellington Street, Ottawa.

Dated 11th day of September, 1902.

(Signed) W. J. SCOTT,
Master at Ottawa.

CURRENT TRADE CONDITIONS.

ONTARIO.

The lumber market remains steady. All grades of good lumber are so scarce that dealers are refusing orders, while some manufacturers have been obliged to purchase from other yards the stock required to supply the wants of their customers. Low grade lumber is more plentiful, although the supply is not excessive. Prices on the lower grades are a shade easier, due to the demand being somewhat less than was expected earlier in the season. Taking the entire white pine list, we find that a surprising degree of strength is shown, and that indications point to higher prices next season. It is reported that two of the largest manufacturers in the Ottawa Valley have already placed under contract their next season's production of British deals, at figures about 10 per cent. higher than were realized for their stock this season. This report, however, is not confirmed, although
