SMITH'S EXTERMINATOR, FOR RATS, MICE, COCKROACHES, &c. &c.

A CHEMICAL Composition for the de-
struction of Rats and all other species of
Vermin and Insects; without the use of Arse-
nic or any ingredient in the least dangerous to
human life. It effectually clear all premises of
Rats and Mice most speedily. They take it
readily, and leave the place never to return,
generally dying in the open air, or where there
is a supply of water; and other rats and mice
avoid the premises in which the poison is
proved so destructive to their species.
