DE LA SALLE INSTITUTE.

Nos. 18, 20 & 22 Duke Street,

TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS.

This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country.

With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July.

Ayer's Cathartic Pills, For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, most reliable, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This infrequent disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation. Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:— For Dyspepsia or Indigestion, Distress, Loss of Appetite, &c., they should be taken moderately to stimulate the stomach, and restore its healthy tone and action. For Liver Complaint and its various symptoms, Bilious Headaches, Sick Headaches, Jaundice, &c., they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression, a large dose should be taken, as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

QUINIAM LABARRAQUE Approved by the Imperial Academy of Medicine

The Quiniam Labarraque is an eminently tonic and febrifuge Wine, destined to replace all the other preparations of Peruvian Bark. The Bark Wines usually employed in medicine are prepared from Barks which vary considerably in the degree to which they possess the desired properties. Besides, owing to the manner in which they are prepared, these Wines contain scarcely more than the traces of active principles, and these always in variable proportions. The Quiniam Labarraque, approved by the Academy of Medicine, constitutes, on the contrary, a medicine of determined composition, rich in active principles, and on which Physicians and Patients can always rely. The Quiniam Labarraque is prescribed with great success for persons of weak constitution, or for those debilitated by various exhausting causes or past sickness; for youths fatigued by too rapid growth; for young girls whose development takes place with difficulty; for women in childbirth; and for aged persons enfeebled by years or illness. It is the best preservative against Fevers. In cases of Chlorosis, Anemia, or Greenishness, this Wine is a powerful auxiliary of the ferruginous preparations. In conjunction, for example, with VALLER'S PILLS, the rapidity of its action is really marvellous. Depot in Paris, L. FRERE, 49, rue Jacob. General Agents for Canada, FABRE & GRAVEL, Montreal.
