THE Subscriber offers for SALE a few VALUABLE BUILDING LOTS upon Wellington Street, West of the Bridge, adjoining the Property of the Grand Trunk Railway Company, and in the vicinity of its Terminus and Works (on the Montreal side of the Track.) GROCERY AND PROVISION STORES.

--- ALSO,---

RESPECTABLE BOARDING HOUSES, soon become an important part of the City. The Tail-Race of the New Water Works is expected to pass close by these Lots, affording great facilities for a thorough system of Drainage. Excellent Spring Water is obtainable from Wells at a small depth. Land has been reserved in the immediate neighbor-

hood for a Public Market.

The PROPERTY is COMMUTED, and an unexceptionable Title will be given.

Terms of Payment will be easy.

Purchasers of Lots, will be required to Build a Dwelling House or Store upon them within one year from date of purchase.

FRANCIS MULLINS.

Montreal, March 12, 1857.

FOR SALE,

PARK LOT No. 2, adjoining the flourishing TOWN of PERTH, the Capital of the County of Lanark,

Upper Canada.
This Property, the residence of Anthony Leslie, Esquire, consists of TWENTY-FIVE ACRES of rich LAND, in the highest state of cultivation, well lenced, and planted with Ornamental Trees. The COTTAGE and OUT-BUILDINGS are in good order, and it is in every respect such a situation as would please a gentleman in want of a genteel and handsome property.

The owner has spared no expense, during the last twenty-six years, to bring it to its present high state of comfort and beauty, and will be ready to treat with persons in want of such a place, on the most liberal terms. For further particulars enquire by letter, post paid, of the proprietor at Perth.

The above mentioned property is bounded on the East by the continuation of Wilson Street, the principal entrance to the Town; on the South by Leslie Street; on the West by the River Tay, (a very handsome piece of water); and on the North by the property of the Hon. R. Mathrson.

The Buildings and Fences cost £1,000. There are above 5,000 Trees, and of these 150 are great beauties, and may be well rated at Ten Dollars each. It has taken twenty-six years' care to bring them to their present perfection-many of them no person with the smallest taste would remove if offered Sixty Dollars each. Great pains have been taken in laying out the grounds.

Had I complied, as frequently urged, to dispose of Building Lots, I might have sold them at the rate of 1500 per acre.

Judge Malloch, on the opposite side of the Street, has sold five Building Lots, one-fifth of an acre each, at £100 the Lot.

What I expect to obtain for the Property is at the rate of £100 per Acre. I invite persons disposed to purchase to make their offers. ANTHONY LESLIE.

FOR THE CURE OF

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache may body can have by a does or two of your fills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

ED. W. FREBLE, Cierk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1860.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot he testate to say they are the best eathertic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom frund a case of bilious diseases obstituate that it did not readily yield to them. Fraternally yours,

Dyscntery, Relax, and Worms.

Post Office, Harmand, Liv. Co., Mich., Nov. 16, 1855.

Br. Aten: Your Pills are the perfection of modicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doese of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even them. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Pottmaster.

Indigestion and Impurity of the Blood.

Prom Rev. J. V. Himes, Pastor of Advent Church, Boston.
DR. Aten: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress.
To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

DR. Aver: Your Fills are the paragnon of all that is great in medicine. They have cured my little damplater of ulcerous sores upon her hands and feet that had proved incumble for years. Her mother has been long grievensly afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neuralgle pains, which ended in chroate rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until by the advice of your excellent agent in Boltimore, Dr. Mackenzle, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its virtory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful autidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be.
