NOTICES OF THE PRIES.

"Griffing Works.—They are interspersed with scenes of the deepest pathos, and the most genuine humor-at one moment we are convulsed with laughter, at the next affected to tears. We heartily recommend Gerald Griffins Works to the attention of naged with the greatest economy. mense popularity."—Sunday Despatch.

"We welcome this new and complete edition of Brownson's Resays and Reviews on Theology, Polithe works of Gerald Griffin, now in the course of for the last three years. tics, and Socialism.

\$1 25 publication by the Messrs. Saddler & Co. We read June 13, 1856.

the Collegiens, when it was first published, with a pleasure we have never forgotten, and which we have found increased at every repeated perusal. Ireland has produced many geniuses, but rarely one, upon the whole superior to Gerald Griffin."—Brownson's

Review. "Whoever wishes to read one of the most passionate and pathetic novels in English literature will take with him, during the summer vacation. The Collegians, by Gerald Griffin. The picture of Irish character and manners a half a century since in The Collegians, is masterly, and the power with which the fond, impetuous, passionate, thoroughly Celtic nature of Hardress Cregan is drawn, evinces rare genius. Griffin died young, but this one story, if nothing else of his, will surely live among the very best novels of the time. It is full of incident, and an absorbing interest allures the reader to the end, and leaves him with a melted heart and moistened eye. -Pulnam's Monthly.

"We have now before us four volumes, the commencement of a complete edition of Gerald Griffin's works, embracing the 'Collegians' and the first series of his 'Munster Tales.' The nationality of these of his 'Munster Tales.' The nationality of these tales, and the genius of the author in depicting the mingled levity and pathos of Irish character, have rendered them exceedingly popular. The style in which the series is produced is highly creditable to the enterprise of the American publishers, and we are free to say that the velumes are worthy of being publiced in our libraries public or private alongside placed in our libraries, public or private, alongside of Irving, Cooper, or Scott."—Hunt's Merchant's
