A Phenomenal Record

AS a tree is known by its fruit, so also is a life
 company known by its actual results to policy-
 holders. In this respect

has few, if any, equals; the "actual results" realized
 under its policies have never been excelled by
 any Canadian Company.

This may be accounted for by the fact (1) That
 as this Company has no stockholders to absorb a
 part of its earnings, all its surplus belongs to and
 is equitably distributed among its policyholders;
 (2) It has the lowest expense ratio to income of
 any Canadian Company, notwithstanding that its net
 business in force in Canada during the past ten years
 has increased more rapidly than the Canadian
 business of any other native Company; (3) That its
 death losses have been, for many years, only about
 one-half of the amount "expected" and provided
 for, thus showing the excellently fine quality of
 the Company's business, and (4) That in 37 years,
 during which the Company has been in operation,
 "not one dollar received from its policyholders has
 been lost out of the millions invested for their
 security"—a phenomenal record.
