Quips and Cranks.

Herdso: Did I tell you that cute remark my little boy got off the other day? Saidso: Eight times.

Husband: Dr. Foot, the chiropodist, will dine with us to day. Wife: All right; I'll order corned beef.

Penelope (freezingly): You do not love me? Ten Broke (convincingly): I worship the very ground that you inherit.

"The telephone is like a woman; it tells everything it hears." "Yes, that's so. And it's unlike a woman, too; it tells a thing just as it hears it."

"Why do you make some of your dump-lings small and others large, Frau Huber?" "Because my husband has been complaining lately of having too little change in his diet."

Briggs: Well, did that dose I told you to take scatter your cold? Briggs: It did, beautifully. When I saw you the cold was only in my throat, and now it is scattered all over me.

She: I would like to have some pleasant surprise for my parents for Christmas; can't you help me to think of something real nice? He: Why, that's very simple. Introduce me as your intended.

Treetop: Now, jes' look at that sign, "Don't blow out the gas." Hayrick: What does it mean? Treetop: They probably want us to call a boy to do it, so they can charge 50 cents more on our bill.

Ada: So Miss Lange said she would be a sister to you? Lawson: Yes. Ada: What did you say to that? Lawson: I told her we would compromise and call it 'aunt,' as I was too young to be her brother.

White Citizen: Well, Jackson, what are you doing for a living now? Colored Citizen: Ain't doin' nothin'; de ole woman takes in washin'. "Ain't you ashamed of yourself to allow your wife to support you by washing?" "Well, boss, my ole woman 'am mighty ignerant an' doan' know how to do nufin else."

"Speaking of miraculous escapes," said Smith, "young Brown was shot full in the chest the other day, and yet was unharmed." "Mother's Bible in his pocket?" said Robinson. "Pack of cards, more likely," remarked Jones. "You are not up to date," said Smith. "The bullet struck him in the chrysanthemum!"

The train robber shot the roof off the baggage car as he spoke. "I'm going to hold you up," he remarked. The express messenger bowed. "How fortunate," he said. "I was ready to sink into the earth when I saw you." Saying which, he withdrew to the woods, while the outlaw discharged seven sticks of dynamite in rapid succession.

Mrs. Billus: John, I'm glad you've come. Here's the prospectus of a paper they're about to start, and I want a little money to help it along. It's called the Coming Woman, and—Mr. Billus: I haven't time now, Maria. Have just got a telegram from Aunt Rachel. She'll be at the station in half an hour with six trunks. The coming woman, Maria, has come, and I'm afraid she has come to stay.

A PRETTY FACE

is the result of a healthy physical condition. "Beauty is but skin deep" yet it greatly depends on a clear complexion, free from wrinkles and hollow cheeks.

Health always bring wealth of beauty. A healthy state of the system comes with Doctor Pierce's Favorite Prescription. It's a medicine prepared for woman's ailments—it cures those derangements and weaknesses which makes woman's life miserable.

A woman who neglects to take proper exercise is particularly prone to excessive congestion, debility and a sluggish circulation. This is the time we advise the "Prescription." In all derangements and displacements of the special organs which result in "signs of inflammation," in catarrhal discharges from the lining membranes, and in distressing irregularities—this medicine is guaranteed to cure, or the money will be returned.
