### J. BRUCE 118 King St. Wes ART PHOTOGRAPHER.

Guarantees the finest and most artistic work  
that can be produced, and allows a liberal dis-  
count to Professors and Students connected  
with Toronto University and other colleges.

"Mamma," said a little Chicago girl.  
"Yes, dear." "Do you think I'll have  
the same papa all this yea?"

Smythe, who is something of a con-  
noisseur in art, says his servant girl, who  
lit the fire with kerosene, was done up in  
oil.

"No, Miss Smith," he said, and he said  
it gently, but oh, so firmly, "it can never,  
never be. While I am sensible of the high  
honour you do me, and will always be a  
brother to you—" "Chestnut," mur-  
mured Miss Smith, and George Sampson  
went out into the night.

"Yes," said Dumley, who has recently  
received a government appointment, "I've  
got a mighty soft thing." "How long,"  
asked Robinson, "can you keep this soft  
thing, do you suppose?" "I can keep it  
as long as I don't lose my head," replied  
Dumley, confidently.

At the Kindergarten: Teacher—"John-  
ny, do you remember the proverb I gave  
you yesterday?" Johnny—"No." "Speech  
is silver and—what is it?" "I dunno,  
mum." "I know," spoke up a little boy  
at the foot of the class. "Very well, you  
recite it." "Speech is silver, but money  
talks."

Senator Stanford's gift of \$20,000,000  
to establish the university in California is  
one of the largest of the kind known to  
history, and the gift is three times the size  
of the fortune which Stephen Girard left.  
Girard's fortune amounted to about \$7,  
500,000, and of this he left \$6,000,000 to  
his university. He gave nearly all his  
property to the public, and out of his  
whole fortune his relatives received only  
\$140,000.

Call a lady a "chicken," and ten to  
one she is angry with you. Tell her she  
is "no chicken," and twenty to one she  
is more angry still.

#### THE BELLE OF THE "CONVERSAT."

The above subject was a very deep one  
last Friday eve. There were gentlemen  
present who wished to see, and thought the  
honor ought to be carried off by their special  
friends; but it seemed to be very generally  
admitted that a dark lady, with a handsome  
and striking figure, large, luminous dark eyes  
was the favourite. She was faultlessly attired  
and wore a handsome pair of diamond  
ear-rings with lace pin to match.

It was whispered around she bought the  
jewellery at Trowern's, 171 Yonge st., who  
always keeps a well regulated stock of the  
finest gold and silver jewellery. He already  
has a large patronage from the students and  
looks forward to a continuance and increase  
of the same, giving very liberal bargains to  
the "boys" of the "Varsity."
