

6.—Submitted a report from the Chief Engineer, transmitting the lists of streets in which the Board of Commissioners intend to have permanent sidewalks laid in the City's territory, limited by a blue line on the plan annexed to the said report, the said works to cost \$417,048, payable, half by the City and half by the interested proprietors.

Resolved: That a report be made to Council recommending that the said sum of \$417,048, be voted for the construction of permanent sidewalks in the streets hereafter mentioned, viz :

## LIST OF PROJECTED ASPHALT SIDEWALKS FOR THE YEAR 1913 (first program)

| Streets       | Side | From               | To                 | Curbstone | Approximate cost |             | Total     |
|---------------|------|--------------------|--------------------|-----------|------------------|-------------|-----------|
|               |      |                    |                    |           | City             | Proprietors |           |
|               |      |                    |                    |           | \$ c.            | \$ c.       | \$ c.     |
