

WE ARE SPECIALISTS IN
CHILDREN'S
NEEDS

THIS is the age of specialization and a "hobby" with us is the specializing we give to the departments of Boys' and Girls' Apparel. We make it a point to see that every garment in these departments is carefully made and well finished, well fitting and of reliable quality fabrics, and withal we aim to give you the very best value possible. ♣ ♣ ♣ ♣ ♣

COME here for Boys' and Girls' Apparel where stocks are chosen with discriminating care. **INFANTS' NEEDS** too, receive our careful consideration.
