Toronto Boy Thrown From Train Near Fayetteville and

RICHMOND. Va.. April 8.—Can Atlan.

Press.)—Heavy sweaters were again the order in today's Toronto-Richmond game, which the Leafs won by 7 to 5. Kelley's men were inclined to burleague the piece, but took advantage of every opportunity of the control of the con ing occurred, the boys decided to follow their employer's horses the best way they knew, and boarded a north-bound A.C.L. freight. Reports of what occurred are but meagre at present. But it is said a mile south of Fayettesville the boys were encountered by a negro brakeman, who ordered them off the train. The train, a companion says, was running 25 miles an hour, and Little, acting as spokesman for the trio, explained the circumstances and in reply was dealt a blow over the head with a coupling pin by the brakeman, knocking him from the fast moving freight. Little was picked up some hours after falling alongside of the tracks, dead. His companions, frightened, fled and are now at Norfolk. It was only thru the influence of the Canadian consul here that Little's brother, who came after the remains, was permitted to remove the body.

It is said the Canadian consul here will demand a rigid investigation by the Interstate Commerce Commission, into the alleged brutal murdering and inhuman treatment of the young Canadian. The body was shipped to Toronto tonight, where the interment will be made from the home of his parents.

A., in a letter to President Barter of the D.F.A., says he has taken the advice of the A.A.A. of England on the matter, and, owing to the unsettled state of athletic affairs in Canada, the proposed tour will be dropped rather than be the cause of making trouble. In the meantime, both the F.A. and the A.A.A. of Ingland will make representations to the A.A.U. of C. with a view to overcoming the present impasse.

EDMONTON, April 8.—Delegates from soccer clubs all over the province met in the Y.M.C.A. at the annual meeting of the Alberta Football Association.

The relation the A.F.A. bears to the matter which perplexed the delegates greatly. H. H. Ballantyne of Calgary, the retiring president, who occupied the chair, expressed doubts as to whether the Alberta branch was even affiliated with the Dominion body. He stated that no dues had ever been paid and no communications had passed between the two bodies.

The most recent action of the D. F. A. in deciding to allow old country professional soccer teams to tour Canaga and compete with Canadian amateur teams, came in for some severe criticism, and most of the delegates appeared to be very hostile to the D.F.A. It seemed to in deciding to allow old country professional soccer teams to tour Canada and compete with Canadian amateur teams, came in for some severe criticism, and most of the delegates appeared to be very hostile to the D.F.A. It seemed to be the general opinion that soccer football in Alberta should be made strictly amateur if the game is to be a success.

FRANK NIGHBOR FOR COAST NEXT SEASON

OTTAWA, April 8.—(Special)—Information given by the returned Ottawa players who went west with Art Ross' All Stars winter, and penhaps more. At any rate, it appears to be a certainty that Skene Ronan, Harry Broadbent, Clint Benedict and Frank Nighbor will be annong the again. They also think that some of the teams will go west, but are not certain as to just what players had any dealings with the Patricks while there. Wanderers are all well satisfied for it of their players will go west next fall. Both Kendall and Fred Taylor will go back next winter to the coast league. They are both their treatment, which, they think, is better than the N.H.A. deal out. All of the returned players say that the Patrick brothers are very popular with their players. While at the coast Benedict was asked to confer with Victoria Club, but did not do so. He has very little inclination to play lacrosse there, but will ottawa is given a franchise in the league.

Preliminary basketball game is creating almost as much interest as the Rugby-Business Men's game. All Saints have a very speedy line-up of men who have been in the game for years, while Mc-Cormacks are younger, but they have the opportunity of their lives in this game with the Ontario champions, and are out to do their best.
