

# SEMINARY OF ST. AUGUSTINE FORMALLY OPENED YESTERDAY

### Ecclesiastics From All Parts of the Diocese Were Present at Dedication of New Catholic Institution on Kingston Road—Bishop Dowling of Hamilton Was Celebrant.

The majesty of dignity, rather than an elaborateness of ceremonial, marked the dedication and formal opening of the magnificent seminary of St. Augustine yesterday. From all parts of the city and outside portions of the diocese, as well as from many points distant, ecclesiastics in large numbers congregated in the archdiocese on its great triumph and to take part in the ceremonies of the day.

At an early hour those who were to officiate began to arrive in autos, on foot and by car, and as the imposing structure, bathed in the morning sunlight, came into view, exclamations of praise and delight were heard from all sides.

It was eight o'clock when the first procession of ecclesiastics wended their way into the beautiful chapel and then about and thru the building, the blessing being accorded with the psalms, antiphons and litanies prescribed by the ritual for such occasions.

At eight o'clock when the first procession of ecclesiastics wended their way into the beautiful chapel and then about and thru the building, the blessing being accorded with the psalms, antiphons and litanies prescribed by the ritual for such occasions.

Handsome Interior. The chapel, with its white marble mural paintings and domed ceiling, was much admired, the gorgeous colorings of the stained windows and the delicately finished stations along the wall supplying just the note necessary.

Rev. Father Mac of Respiollos (College), Kingston, preached the dedicatory sermon. It was fitting that the oldest diocese in Ontario should be so represented, and Father Mac did full honor to the privilege.

The speaker likened the day to that upon which the high priest of old stood before the king in the Jewish temple to dedicate the most magnificent temple then in existence. Grand as was the occasion, the present far surpassed it, because while God was present in the old law and is present everywhere today, the Catholic believes that He is really present, in a very special manner, behind the tabernacle of the altar. Referring to the mission that the seminary was to accomplish, the reverend speaker said it would bring into its walls those destined for the sublime dignity of the priesthood and there foster and educate them for their high calling.

The Christian priesthood is participation in the priesthood of Christ Himself. The first seminaries were beneath humble roofs or in the green hills of Judea. The first teacher was Christ, and those whom He taught everywhere today, the Catholic believes that He is really present, in a very special manner, behind the tabernacle of the altar. Referring to the mission that the seminary was to accomplish, the reverend speaker said it would bring into its walls those destined for the sublime dignity of the priesthood and there foster and educate them for their high calling.

The high altar of white marble was blessed and dedicated to St. Augustine, patron of the institution. His Grace Archbishop McNair officiated at these preliminary ceremonies.

Ten o'clock, the hour appointed for the solemnization of high masses, saw the beautiful chancel shrine in readiness for the most important feature of the day's proceedings. Preceded by their surtouts, swinging censers and cross-bearer carrying aloft the symbol of salvation, the procession entered the sacred edifice, the officers of the mass taking their places in the sanctuary and the remainder filing into the choir, the choir singing on either side.

The celebrant was Right Rev. Bishop Dowling of Hamilton, the oldest prelate of the archdiocese. He was assisted by Rev. Dean Hand as assistant priest, Rev. W. A. McCann as sub-deacon, Rev. Father O'Connell of St. Catharines was master of ceremonies, the only ornamentation of the altar being the crucifix above the golden door of the tabernacle, a few flowers and the six tall waxen tapers, which are always present when high mass is being sung.

The celebrant and his assistants

Life of St. Augustine. The reverend speaker outlined briefly the life of St. Augustine, one of the greatest lights and most brilliant geniuses of the church, after whom the seminary is named. He closed by congratulating His Grace Archbishop McNair under whose care prosperity was sure to come to the seminary. Father Mac also added his recognition of the universally accorded Mr. Eugene O'Keefe for his "noble and generous" gift to St. Augustine's.

At the close of the mass His Lordship Bishop Dowling, the oldest prelate of the archdiocese, and the archbishop and clergy, and also being to the interest taken in it by the late Archbishop McEvoy. Many remarks were passed upon the full rich voice in which his lordship of Hamilton intoned the mass, his flowing white locks gracefully giving promise of such youthful vigor and moderation.

Among others present were: His Grace Archbishop Spratt, Kingston; His Lordship Bishop Scollard, Sault Ste. Marie; His Lordship Bishop-elect O'Brien, Peterborough; Right Rev. Mgr. O'Connell, Toronto; Right Rev. Mgr. Mahoney, Hamilton; Rev. Dr. Keenan, Chicago; Rev. Dr. Kidd, president St. Augustine's Seminary; Rev. M. J. Whelan, parish priest, St. Michael's Cathedral; Rev. Dr. Tracey, Rev. Dr. Morley; Rev. Dean Harris, Rev. Dr. McBrude, Rev. E. J. Devine, S.J., Montreal; Rev. Father Brich, S.S.P., provincial; Dean Moyna, Barrie; Rev. Chancelier, Rev. Father W. A. McCann, O.M.F.; Rev. Dr. Sherry, O.M.F.; Rev. Fathers Richardson, Kinsane, Mitchell, J. Cruise, McGrand, Finnergan, Coyle, Lantieri, Culnan, Moulton, McGrath, LaMarche, Kelly, Cline, Flanagan, O'Donnell.

Aged Parishoner. Mrs. Purcell, an old lady of ninety years, parishioner of St. Monica's, was an interested and interesting participant. Others of the laity noticed Long Thomas Smith, J. Murphy, J. E. Haney, J. J. Seitz, W. E. Black, J. E.

Prof. Mulveney. Many suffer from them and do not know it. Many go to an early grave on account of them and have been recommended to have had brain fever or some other complaint.

Prof. Mulveney Comes to the Rescue. His wonderful remedies are saving thousands of lives. Why not try his remedies—they are sure, certain and harmless?

Stomach worms are round like earth worms and measure from 8 to 16 inches in length, the larger ones being about the size of a lead pencil in thickness. They are white and sometimes pink in color; they crawl in the stomach and small intestine, and sometimes great numbers are found to exist. One of my customers claims one of his children passed 200 from the use of my remedy. It does not require much thought to come to the conclusion that these worms are very dangerous, as they cause fever, convulsions, fits, etc. Many persons have died from worms, and they have been known to crawl from their mouths and nose after death. Just imagine the suffering and terrible agony a child or adult must experience with these disgusting and loathsome creatures crawling about in the stomach and bowels. There is no doubt that they are constantly taking the nourishment that should go to make a strong, healthy person. Is it any wonder that your child is cross, irritable and sickly? Adults are also restless, melancholy and miserable from the same cause, and are sometimes treated for dyspepsia, nervous prostration and other complaints. My remedy is in liquid form and is an excellent remedy to build up the system, and can be taken for some time after the worms have been expelled, to build up the system, which generally requires it, as the stomach and bowels are generally in a weak and debilitated condition, caused by the ravages of these undesirable pests. My remedy, known as Mother's Friend, is pleasant and agreeable to take and is a life-saver for children, as it not only destroys worms, but strengthens and builds up the child, cures wailing of the bed, and cures the mother's nervous condition, caused by the ravages of these undesirable pests. ### FAREWELL TRIBUTE TO MR. WILLAN

Musical Opinion Speaks Highly of English Composer.

The current number of London Musical Opinion, in commenting on the departure for Toronto of Mr. Healey Willan, takes up professional work at the Toronto Conservatory of Music, says: "It is impossible to close these remarks without a word of appreciation concerning the loss which English musicianship sustains by the appointment to the Toronto professorship of Mr. Healey Willan. Among the young school of British composers there is no one who has done more than to justify our national claim to a place in the artistic world, and Willan has for the last ten years devoted himself to the improvement of music in churches, with results which Novello's catalogue will show. "Service in G." is now sung almost everywhere, and there are other settings which his intimate friends appreciate even more. We are confident Mr. Willan will prove himself a worthy inheritor of the fine traditions of the Toronto Conservatory. To foster the growing sense of Canadian nationality in music is no light thing to undertake; but the placing of such a task in the hands of a fertile and versatile Irishman is a wise move on the part of the Toronto authorities, and a high compliment to us on this side."

### BERLIN ORCHESTRA COMING TO CANADA

Famous Band is to Germany What London Symphony is to England.

Dr. A. S. Vogt, director of the Toronto Conservatory of Music, has just received a letter from one of the leading musicians in the German capital, in which he says that the famous Berlin Philharmonic Orchestra, which is to Germany what the London Symphony is to England, contemplates a tour of Canada. This orchestra is conducted by Nikisch, the most unassuming and the most powerful of those interested in musical public life in Europe. While no definite announcement has yet been made, it is believed that the orchestra will be in Toronto should be included in the itinerary of this great aggregation of European instrumentalists.
