

**RICE AND MEAT CROQUETTES.**

One cupful of boiled rice, one cupful of finely chopped cooked meat—any kind—one teaspoonful of salt, a little pepper, two tablespoonfuls of butter, half a cupful of milk, one egg. Put the milk on to boil, and add the meat rice and seasoning. When this boils, add the egg, well beaten; stir one minute. After cooling, shape, dip in egg and crumbs and fry as before directed.

BREAD FRITTERS.

One quart of milk, boiling hot; two cupfuls fine bread crumbs, three eggs; one teaspoonful nutmeg; one tablespoonful of melted butter; one saltspoonful of salt, and the same of soda, dissolved in hot water. Soak the bread in the boiling milk ten minutes, in a covered bowl. Beat to a smooth paste; add the whipped yolks, the butter, salt, soda, and finally the whites, whipped stiff.

FLAKE PIE CRUST.

Take one-half cupful of lard to a pint of flour; rub well together; take water sufficient to make a dough (not too stiff); roll out and spread with butter; fold over evenly, and make a second fold in the opposite direction; roll out again, being careful not to squeeze the butter out.
