

## SAVED FROM DEATH.

RED LAKE, BRULE CO., DAKOTA, January 24th, 1884.

DR. RADWAY—*Dear Friend:* I feel myself obliged to give you the thanks I owe to you. I do not know you personally, but I know your excellent medicines which carry their names with the greatest right. Without flattering you, they are the only medicines a man should buy.

Who in the world could buy my wife from me? Nobody; nobody but death, that nearly had her, could only take her from me. RADWAY'S REMEDIES have saved her and cured her of the greatest pains she had while struggling with death; only a short time after using the medicines she was relieved of all her terrible pain. Yes, your medicine is all that I have to thank.

Since that time Radway's remedies are always in my house, and I always will honor them.

The whole neighborhood was astonished at such a medicine. Nobody here could advise me; but one told me that his father had used a medicine, but could not recollect the name; he only knew that there was R. R. R. on the bottle. I at once sent him on horseback to the next drug store, and he actually asked the druggist as he had told me, and the druggist understood at once what he wanted; my man returned in a short time with the medicine and told me the druggist had said that this medicine was stronger than death, and all pain must disappear in a short time; and so it was, God have thanks. This medicine has come into my house and I will always keep it; and I advise everybody to keep it in his house, as it may be too far, sometimes, to go to a druggist to get it while one of his family suffers in the greatest pain during that time; therefore I advise, again, everybody to keep it always in the house.

Respectfully yours,

[Translated from the German.]

GEORGE GIPPERT.

## WOULD NOT BE WITHOUT IT.

MUSE'S BOTTOM, W. Va., Aug. 10th, 1891.

RADWAY & Co.: I take pleasure to state to public sufferers of all kinds of pain, such as are very common with a great many of our fellow creatures.

I can testify that I was taken with what the doctor said was a convulsion of the bowels, and I am satisfied if it had not been for the benefit of Radway's Relief I could not have lived one hour, but when I was so very bad it was impossible to get a doctor in time to give me any relief. As my wife thought I was dying she gave me a few drops of Radway's Relief in a little water and I must say in less than ten minutes I was greatly relieved of the said pains that I could not have stood one hour. Let me say to the suffering public I would not do without a bottle of Radway's Relief in my house if I had to pay fifty dollars for one if I could not get it for less.

If I could speak of all the good and reliefs I have known received from the use of Radway's Remedies it would take me hours to write it down. I do this to let all know what benefit I have received from the use of the valuable medicines; it has been ten years since the use of Radway's Relief saved my life and now I am in my sixty-ninth year of age and give it all the praise of saving my life to the present day. I feel as well now as I did twenty years ago, and I give it all to the benefit of Radway's medicines to me.

Signed,
