The Central Canada Curling Association will have to purchase a new tankard, for Pembroke, by its success at Carleton Place last week, won the tankard for the third time, and it becomes its property.

Although St. Mary's and Toronto Granites were expected to have played the final game for the Governor-General's prize in Guelph this week, this as impossible, and Secretary Russell has sent word that it will probably be played in the first of next week. Both clubs have been notified to be in readiness for any day when the ice is good. Mr. A. Congalton has been appointed umpire.

Tommy Crown was in Toronto the other day on a visit to his relatives. He says the Capitals will be as strong as ever. He will again be between the flags for them this season.

Extinct—How Deputy Wardens are Hampered.

Hon. J. M. Gibson brought down the report of the Ontario Game and Fish Commissioners for 1806 in the Local Legislar that altitough the enforcement of the game laws has had an undoubted effect in preserving the game during the last three of four years, the Act might be made much more protective by restricting the number of four years, the Act might be made much more protective by restricting the number of four years, the Act might be made much more than twenty should be taken in a day or a year. For instance in the case of duck, if if were enacted that not more than twenty should be taken in a day or 300 in a season it would have a good effect. The same plan might be adopted the protective by a season it would have a good effect. The same plan might be adopted by an active that although the open season for deer was last year shortened by fen days, greater numbers than ever have been killed during the late open season. The chief factor in this ungrasonable slaughter of the season of the control of the

night. It was for the junior champion-ship of the Ontario Hockey Association ship of the Ontario Hockey Association betwen the Toronto Granites and Peterboro in the Church-street rink. The Granites won by 7 goals to 3, each scoring once in the first half. The game was better contested by far tnan the senior one on Wednesday. The ice was slushy, and the players on both sides deserve great-credit for the skill displayed. The visitors are an athelte-looking lot, and though beaten by 4 shots, they made the game a well-contested one at through. They combined well and skated just as fast as their opponents, but owing to Carlyle's wonderful work between the sticks they could only get puck past him thrice. Owing to the rainy evening the crowd was smaller than expected.

expected.

In the first half King of Peterboro had his wrist injured and Davis went off with him. Thus during the greater part of the game only six men a side were engaged. The goals were scored as follows:

First half: 1, Granite, Dixon, 6 mins.; 2, Peterboro, King, 2 mins.; 3, Granite, Crawford, 12 mins.

Second half: 4, Peterboro, Phelan, 2 mins.; 5, Granite, Lillie, 18 mins.; 6, Granite, Johnston, 4 mins.; 7, Granite, Dixon, 3/2 min.; 8, Granite, Johnston, 3 mins.; 9, Peterboro, Phelan, 1 min.; 10, Granite, Dixon, 2 mins.

JOHN C. CHAPMAN.

Toronto's Late Baseball Manager, Will Look After Battimore's Finances.

Buffalo, Feb. 28.—According to a private letter from New York, John C. Chapman, late of the Toronto Club, has fallen into a soft snap. It is no other than that of financial manager of the champion Baltimores. Mr. Chapman will have charge of all business arrangements, arrange for transportation, secure hotel accommodations, and look after any plums that may be floating around in the way of exhibition games. Hanlon will, of course, have complete control of the men on and off the field. The arrangement would appear to be a very advantageous one for the owners of the Baltimore Club, as Mr. Chapman has no superior as a baseball financier and few peers. The same high praise is due Hanlon as a handler of men.

Jake Gaudaur's Program.

Mr. J. G. Gaudaur informs The Orilla News-Letter that he expects a moderately busy summer in rowing. This week he received a letter from Mr. M. Peard, secretary of the Vancouver Citizens' Committee, who are endeavoring to arrange for a big regatta at the Terminal City. Mr. Peard writes that Vancouver expects to hold its regatta immediately after the Loon Lake (Wash.) regatta. Mr. Gaudaur has also been advised that Tampa, Florida, encouraged by the success of the aquntic carnival at Austin, Texas, will hold a big regatta in the near future.

In Advanced Years

The strength and pure blood necessary to resist the effects of cold seasons are given by Hood's Sarsaparilla.

"I have for the last 25 years of my life been complaining of a weakness of the lungs and colds in the head, especially in the winter. Last fall I was again attacked. Reading of Hood's Sarsaparilla I was led to try it. I am now taking the fifth bottle with good results. I can positively say tle with good results. I can positively say that I have not spent a winter as free from coughs or pains and difficult breathing spells for the last 25 years as was last winter. I can lie down and sleep all night without any annoyance from cough or pain in the lungs or asthmatic difficulty." E. M. CHAMBERS, J. P., Cornhill, N. B.
