John Kay, Son & Co., "Canada's Greatest Carpet and Curtain House."

Extra Value In Staines' Linoleums

Perhaps you do not appreciate the strong wearing quality of a good linoleum? "Wears like wood" is given as a fitting description. To some extent a piece of Staines' linoleum wears better than wood, for it always wears smooth when it wears at all. The many difficulties that beset makers of linoleums have in their 15 years' experience been thoroughly mastered by Staines' making this brand as nearly perfect as possible.

Prices are all special pending the removal to the new store.

—Staines' high grade of linoleums, of which we have a large stock; certain special patterns will go on sale, per square yd. at 1.00

—Staines' inlaid linoleums, second quality, a splendid wearing floor covering—choice of all lines at 1.00

—Staines' very finest linoleums, in attractive designs, special 1.25

Shoppers out of town will have prompt attention paid to mail orders for any of these goods.

John Kay, Son & Co.,

34 King Street W., Toronto.

Oriental Rugs at Cut Prices

We feel the need of the extra floor space that will come to us when we get into the new store. What we would do, were the space at our disposal now, would be to set aside a special section for the display of Oriental rugs and carpet squares so great is the stock and so many specialties. Everything in the line of Oriental rugs, we are selling at prices much below regular figures:

Large assortment of rugs in antique Anatolians, Sumachs, Shirvans and Daghestans—all new goods, and just about half regular prices, making present selling price 5.25, 7.50, 8.50, 10.00, 12.00 and 15.00. Some of these are in handsome stripes, 15 and 16 ft. long, very suitable for halls.
