Weston, Dec. 5.—(Special.)—John Bull, bro-

ther of ex-Councillor R. J. Bull, who

is on a visit to relatives at Downsview,

was married this morning at 9 o'clock to

Miss, Carruthers, daughter of James Car-

ruthers of Downsview. The newly-married

pair will return to Yorkton, Assinboia.

Part of the electric light plant has ar-

rived, and the dynamo is expected in a few

There was a good turnout on Saturday

night to the performance of "Uncle Tom's

Cabin."

Crushed by a Log.

Yesterday, while sawing a log from a

tree on a hillside in Wright's swamp, John

Kelly was severely injured. In some way

the stump gave way and Kelly was crushed

beneath it. Three of his ribs were broken

and he was injured internally. Much sym-

pathy is expressed for Kelly, who is a

popular boy with everyone.

## FOR WELL PEOPLE.

## An Easy Way to Keep Well.

It is easy to keep well if we would only

observe each day a few simple rules of

health.

The all-important thing is to keep the

stomach right, and to do this it is not

necessary to diet or to follow a set rule or bill

of fare. Such pampering simply makes a

capricious appetite and a feeling that cer-

tain favorite articles of food must be avoided.

Prof. Wiebech gives pretty good advice

on this subject. He says: "I am 68 years

old, and have never had a serious illness,

and at the same time my life has been

largely an indoor one, but I early discovered

that the way to keep healthy was to keep a

healthy stomach, not by eating brain crack-

ers or dieting of any sort; on the contrary,

I always eat what my stomach craves, but

for the past eight years I have made it a

daily practice to take one or two of Stuart's

Dyspepsia Tablets after each meal, and I

attribute my robust health for a man of my

age to the regular daily use of Stuart's

Tablets."

My physician first advised me to use them

because he said they were perfectly harm-

less and were not a secret patent medi-

cine, but contained only the natural diges-

tives, pepsines and diastase, and after us-

ing them a few weeks I ever never ceased

to thank him for his advice.

He finally believed the habit of taking

Stuart's Dyspepsia Tablets after meals is

the real health habit, because their use

preserves health to the sick and ailing and

brings health to the well and robust. Men

and women past 50 years of age need a

perfect digestion and to ward off disease,

and the safest, best known and most widely

used is Stuart's Dyspepsia Tablets. They

are found in every well-regulated

drug store from Maine to California, and

pushing their way into popular favor.

All druggists sell Stuart's Dyspepsia Ta-

blents, full sized packages, 50 cents, and

for a week stomach a 50-cent package will

often do fifty dollars' worth of good.

The ladies of Victoria Presbyterian Church gave an at-home to-night, during which the ladies had a sale of needlework and an impromptu program was rendered.

East Toronto, Dec. 5.—(Special.)—The East Toronto Village Council met in the firehall here to-night, to receive Mr. McMillan's report. All the members were present. There were five requests for a refund of 5 per cent upon taxes, which had been paid a day after Nov. 20. After this the Council charged delinquents 5 per cent.

Additional on their taxes and charges arriving in the village the following day were returned by the collector with a demand for the additional 5 per cent. The request of the delinquents was not granted. B. Norton complained that there was no by-law to collect the local improvement tax on Stephenson-avenue. The amounts are now collected in a haphazard way, some persons paying the bulk of the taxes, others getting off with a low rate. The matter will be looked into. Mr. Stok asked for a rebate of taxes on Morton's Hall as it is now used for religious purposes. A rebate of five months' taxes was granted. Rev. Mr. Rogers addressed the Council with a view to leasing from the town at a nominal price property on the corner of Swanwick-avenue and Charles-street, to be used for lawn tennis and bowling. The club purpose levelling and leveling the ground, planting trees and placing seats for the convenience of members. The property was leased to the club for 10 years at a rental of \$1 per annum.

A horse belonging to Mr. Andrew Russell of Carleton Place died last night at the residence of Mr. S. B. Lawrence.

The name of Councillor S. B. Lawrence is being mentioned as a probable candidate for the mayoralty of the town.

Mayor Davis has stated his intention of dropping out of the contest if Mr. Lawrence allows his name to go to the people.

The Council met at the Town Hall last night, Mayor Davis presiding. All the other members being present except Councillor Brown, who was indisposed. Councillor

After hearing the opinion of the several ratepayers the Council concluded to leave the improvement over till spring.

If thought advisable, a bylaw was passed respecting nominating meetings, and Messrs. William Brown, C. H. Kerwell and William Douglas were appointed deputy-returning officers.

Sanderson; Committee of Management, V. Clifford, W. Treach, H. Sanderson and W. Hall.

Ulcerated Tonsils.

Burdock Blood Bitters cured Mr.

John Couch, of Warton, Ont.,

11 years ago, and he has had

no return of the trouble.

Ulcerations or Ulcerated Sores, no matter where they occur on the body, are an indication of bad blood. There is no means of curing them and healing up the sores unless the blood is purified, and there is no remedy can do this with such effectiveness as Burdock Blood Bitters.

The case of Mr. John Couch, which we give below, is only another example of the wonderful thoroughness and permanency of the curing properties of B.B.B.

Here is the letter written by Mr. Couch's daughter, dated Warton, Ont., Jan. 25th, 1894:

"It is to certify that some years ago my father, John Couch, was troubled with ulcers in his tonsils. After suffering for about a year and getting no relief from the doctors, he was advised to try Burdock Blood Bitters, which he did.

"On taking the
