## BRONCHITIS

THE BEST REMEDY

Many persons think that they have merely a stubborn cough, when they really have Bronchitis, which, if neglected, always results in Chronic Bronchitis. The most effective remedy known to medical science for Throat and Lung

# And let's Petroleum Emulsion

It stops the cough, makes breathing easy, relieves congestion and irritation, soothes and heals the bronchial tubes, changes the character of expectoration and effects a general and rapid improvement in all the symptoms. It is pleasant to take and agrees with the weakest stomach. It is not a patent medicine, but has been prescribed by physicians everywhere since 1880.

HAD BRONCHIAL TROUBLE FOR TEN YEARS: -I have been troubled with Bronchial trouble for the last ten years, ever since I had La Grippe, and suffered very much at that time with it. I have been frequently laid up and unable to work for months at a time. I just recovered from a severe attack of Bronchitis last fall, which left me very much run down. Thought I would never be able to work again, but hearing of Angier's Emulsion, gave it a trial, not expecting much benefit from it, as I had tried so many different remedies with very poor results. I have used three bottles obtained from Burgess Drug Store, and thank God I feel like a new man. Have not been as well or felt as well for many years. I have recommended it to my friends, in fact to anyone troubled as I was. It is a Godsend. It is pleasant to take and does not effect the stomach like other emulsions do.

ROBERT WEIR, Toronto, Ontario.

CAUTION:—The phenomenal success of ANGIER'S PETROLEUM EMULSION has been the means of producing many untried and worthless imitations. Always be sure you get the genuine ANGIER'S Petroleum Emulsion, as imitations made with the ordinary Petroleum do not have the same effect. Angier's Petroleum Emulsion is made from oil obtained from particular wells and refined by a peculiar process, which is known only to the manufacturers of Angier's Petroleum Emulsion. All druggists sell it. Two sizes, 50 cents and \$1.00 a bottle.

YOUR NAME AND ADDRESS on a postal card will bring you a free copy of a valuable booklet entitled, "ABOUT YOUR THROAT AND LUNGS." It tells how to care for the Throat, Lungs, and Digestive Organs. It gives good advice as to Diet and Hygiene, also Exercises, which are
