Are your shirts laundered at home?

IF so, you should wear W. G. & R. shirts—the only shirts with Double Wear Cuffs.

These new cuffs make it possible to wear the shirt twice as long. Every man knows that the cuffs of a shirt get soiled first. And when one side of the Double Wear Cuff gets soiled you don't have to put the shirt in the laundry. Just turn the cuffs, which fold easily and neatly either way, and wear the shirt a day or two longer.

NORWICH MECCA FOR ALL LOVERS OF THOROUGHBRED CATTLE IN WESTERN ONT

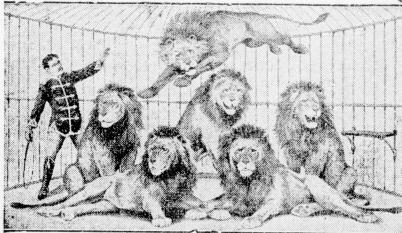

NORWICH, May 30.—"Glen Otter Farm," situated a few miles east of Norwich, in Oxford County, the home of the world's champion Holstein cow, "Holo Mercena Dekol," and the champion 3-year-old heifer "Elva Spofford," has been the mecca for cattle breeders of Ontario during the last few weeks.

On Tuesday last a deputation from various Western Ontario points visited the farm where the owner of the champion cows, J. Beryl Hanmer, exhibited his stock. The world's champion won her laurels in both the seven and thirty-day classes in butter fat production. The owner of these cows was offered \$30,000 for Rolo Mercena Dekol and four other Holsteins, but refused to sell, as the champions, along with other members of the herd, numbering about thirty head, will be offered for sale at auction in Philadelphia on June 3 next.
