## MORE SEVERE PENALTIES FOR SMUGGLED CHINESE

Those Who Evade the Immigration Act to Be Liable to Imprisonment and Fine.

OTTAWA, June 4.—(Special).—A bill amending the Chinese Immigration Act, was passed in the senate to-day. Sir Richard Cartwright stated that it was proposed to limit the free admission of Chinese students to persons under 17 years of age. He stated the law was being strengthened by making Chinese who evade the act or entered Canada by fraud liable to a year's imprisonment or a fine of \$500, or both, and also to deportation. In committee on a bill to amend the Exchequer Court Act, Senator Ferguson stated that some merit had been made of the fact that Mr. Justice Casels had declined to accept remuneration for his enquiry into the marine department. The senator stated that under the law the judge could not accept remuneration for business other than his proper court business. The bill was given third reading. The senate adjourned until Tuesday evening.

**SICK MAN LEFT ALONE.**  
Remained in Buggy Unattended Nearly Whole Day and is Dead.

RENFREW, June 4.—Late last Friday afternoon Michael Sholes while driving to Barry's Bay took ill, apparently, for when he met John Retas he asked to be directed to a physician. Two hours later two men found the team at the same place and going to Retas's house, a hundred yards away, returned with him and found Sholes hanging out of the rig with his head on a wheel and his feet inside the wagon. Believing he was drunk they removed the horses to a barn, but Sholes remained in the rig all night exposed to heavy rain, and it was not until 2 o'clock Saturday afternoon a passing farmer took charge of him. He died on Sunday. His body, it is said, was covered with sores. An enquiry will be held.

**LINEMAN KILLED.**  
Emmanuel Godin, a G.N.W. lineman, living at 154 Sackville-street, was instantly killed yesterday at Brampton. He was attaching a guy wire to a pole and touched an electric light wire which was carried on the same pole. He fell 30 feet to the ground and was dead when picked up. He was 57 years of age and had been nearly 40 years with the company. Two sons are also linemen.

**Two Cent Postage to Germany.**  
BERLIN, June 4.—The deepest public interest has been manifested in the announcement of the approaching reduction in the postage rates between the United States and Great Britain to two cents an ounce. A high official of the German postoffice was questioned to-day regarding the possibility of extending this reduction to Germany. He expressed himself as in favor of it, provided the necessary financial difficulties from which both the United States and Germany would suffer should such a reduction with Germany be carried out.

**By-Rail to the Sun.**  
M. Camille Flammarion has just published a most interesting little work on astronomy for children, and in fact, for everybody who wishes to read the science in a plain form. M. Flammarion says that a railway train travelled to the sun in the uniform rate of 37 1/2 miles an hour, it would take 149,000,000 minutes to reach the sun, or 18,472 years, and from a matter of fact, the train would never reach the sun, for it would be a molten mass in the planet's atmosphere and to vapor by the sun's heat before it reached the sun.

A ticket to the moon would cost only \$780; a ticket to the sun would cost \$2,875,000, and a ticket to the nearest star \$20,000,000,000.

**Brother Collected Insurance.**  
The Northern Life Insurance Co. are making a full enquiry into the Leigter insurance case at Kingston. It seems that William Leigter was insured by his brother George, at one time the company's agent at Kingston. When William disappeared it would seem that George forged doctor's and undertaker's certificate of death and collected the \$1000 some months ago. George committed suicide.

**The Pope's Joke.**  
Salutly as he is, a writer in "P. T. O." the Pope is very human, even jocular, when it so pleases him. A bishop who has just returned from Rome tells this anecdote with intense enjoyment: "The Pope asked the bishop to dine with him. After dinner his holiness smoked a Turkish cigarette, to which he is very partial. The bishop, noticing the kind of tobacco, said: 'Does your holiness really smoke Turkish cigarettes?' 'Yes,' answered the Pope, smiling; 'up to this time I have been unable to Christianize them.'"

**Arrested Smuggling Clothing.**  
DETROIT, June 4.—Thomas E. Orchard, 21, and Frank B. Haun, 18, both of London, Ont., were arrested by Special Treasury Officers Mank and Dowling to-day at the Windsor Ferry dock for smuggling a quantity of clothing across from Windsor.

**Loses a Leg.**  
KINGSTON, June 4.—(Special).—George Coxworthy, aged 40, received terrible injuries at locomotive works and may die. While running a small planer his right leg was cut off at the knee.

John Anderson, the Renfrew migrant, claimed he was a Queen's graduate. Registrar Chown says he was never registered or received a degree.

**"Hiawatha."**  
The Daily and Sunday World is now being delivered at this popular summer resort. By telephoning your order to Main 252 or leaving same at 32 Yonge-street you will receive The World before breakfast.

**For the Quebec Fund.**  
LONDON, June 4.—(C.A.P. Cable).—At Newcastle, a great crowd meeting decided to issue an appeal in the name of the Lord Mayor or Lord Howick for funds in connection with the Quebec centenary movement.

## LAD SHOT THRU BODY BY SMALL COMPANION

Didn't Know Rifle Was Loaded and Told Little Fellow to Pull the Trigger.

George Miller, a 15-year-old lad, living with his parents at 338 East Queen-street, was accidentally shot yesterday morning by Clarence Gilder, a 4-year-old companion. He is in Grace Hospital in a critical condition.

The accident occurred in Miller's father's grocery store. The Miller boy let the little fellow have his 22-caliber Winchester rifle to play with and told him to pull the trigger. The bullet penetrated Miller's right lung, passing clear thru the body.

How the rifle came to be loaded is not known. It had not been used for some time and was much rusted. Last night it was said there was no hope for the boy's recovery.

**Grand Jury Suggestions.**  
The lash for men who commit robbery with violence or with threats of such, or made with firearms. That inspectors of electric and gas light companies be compelled to wear uniforms.

The government help be given to support the House of Industry.

These were recommendations made in the report of the sessions grand jury yesterday.

**Baptist Salaries Too Small.**  
ST. CATHARINES, June 4.—At the Niagara and Hamilton Baptist Association here Rev. G. N. Simmons of Tonawanda made the statement that of the 25 ministers in this association eight were leaving their present charges this year for other churches, after pastoring none of which extended over three years.

"Why are Baptist pastorates being shortened while our Methodist friends are lengthening theirs?" asked Mr. Simmons. Was it the salary question? He showed that one minister in the association was getting \$2000 a year, four \$1000, three \$800, three \$700, for \$500, five \$500 and one \$400.

## FARMERS WANT PROTECTION

Floods Are Causing Great Damage to Lands in Leeds.

BROCKVILLE, June 4.—(Special).—A deputation of farmers residing along the Gananoque River waited on the municipal council of the Township of Leeds and Lansdowne and urged them to take steps to lessen the serious damage to their farms by floods.

It was shown that the danger could be minimized by controlling the water flowing into the Gananoque River from the Rideau Canal system at Morton. The council adopted a resolution calling upon the minister of railways and canals to afford relief by increasing the openings in the Rideau Canals.

Two unknown Indians paddling from Kingston to St. Regis are said to have capsized in the river near Hillcrest and were drowned.

There were three Indians in the boat, all pretty drunk, and on reaching the swift water near Hillcrest the craft, which was being carried down by the stream, suddenly capsized.

**Non-Jury Assizes Rushed.**  
It is probable that over 50 cases set for trial in the non-jury assizes will not come on this sitting, as there are 78 cases left now and only 11 days to try them. Several of these will take two or three days each and many a day or so more.
